

NEWS FROM THE RETIREMENT RESORT AT TPC SAWGRASS

VICAR'S VIEW

1988 2018

OH, WHAT BEAUTIFUL memories.

CEO Bruce Jones reminisces as he looks forward to the next 30 years.

It's no surprise that many of our staff make Vicar's Landing a life long career.

More and more people now find Vicar's Landing through social media.

REMEMBERING THE PAST THIRTY YEARS AND A LOOK AT THE PRESENT AND FUTURE.

Traditionally, the anniversary for a union that has lasted 30 years is a pearl. With our proximity to the Atlantic Ocean and glistening beauty produced with the help of a serene natural landscape, the pearl is the perfect symbol to help us celebrate more than three decades as North Florida's premier retirement community.

Since 1988, the Members and staff of Vicar's Landing have helped to make our community by the sea a one-of-a-kind place where a vibrant social scene mixes flawlessly with relaxation and

the comfort of knowing that there's always someone right around the corner to take care of your every need.

"Vicar's Landing has endured and changed only for the better with every passing year," says Cynthia Prince, the community's longest running resident who moved here in the spring of 1988. "What keeps

me going and doing is the spirit of this place, the caring staff, and the endless possibility of activities."

For the 11th straight year, Vicar's Landing has won the coveted

Governor's Gold Seal, an award that recognizes facilities within the State of Florida that demonstrate excellence in long-term care over a sustained period while promoting the physical, social, and emotional well-being

of its residents.

"We are continuously meeting the needs of a more active generation," explains Vicar's Landing CEO, Bruce Jones. "We are meeting the needs of a more tech-savvy generation and a

generation that wants more choices. It's all about meeting the needs of our Members and we are, and will forever be, eager to care for those needs. We look forward to another great 30 years and beyond!"

It's no secret that Vicar's Landing is a great place to live, but did you know that it's also one of the best places to work in Northeast Florida?

Many of our staff members have been with Vicar's for decades – some since the very beginning. We sat down with four of our most tenured staff for a look into the people and personalities that make Vicar's Landing a one-of-a-kind retirement community in Ponte Vedra Beach.

"We're all one big family," says Donna Pugh, Director of Housekeeping for Vicar's Landing

Scott Hetzinger, Abby Bacolor, Donna Pugh and Janice Richardson

Staying POWER.

and a staff member since 1992. "Between Members and our staff, it's all about teamwork. Over the years, we've kept up with the wants and needs as new generations put down roots. We adapt to the changing times to offer the best in care and compassion."

While Donna is in charge of keeping a clean home for nearly 300 members, Abby Bacolor, Director of Dining Services for Vicar's Landing and a staff member since 1991, makes sure that each and every Member enjoys world-class meals featuring local and sustainable cuisine. It's no small feat for a plethora of palettes.

"I can't imagine having picked a more fulfilling career," Abby says. "We're very in tune with our Members, and know when each of them might need a little extra help. Even though they're independent, we look out for them and the staff communicates with each other to make sure they have everything they need."

For Scott Hetzinger, Director of Security and Transportation for Vicar's Landing and a staff member since 1989, creating a safe environment and scheduling comfortable rides to and from the airport and doctor visits is all in a day's work.

"Looking at Vicar's Landing when it first opened, we have learned a lot over the years," he explains. "You see the area growing, and we're growing with it. I like to say that no two days are the same, and we like it that way. The Members always have something new to look forward to."

While Scott is in charge of a lot of the behind-the-scenes work, Janice Richardson spends her time at Vicar's Landing connecting with Members on a day-to-day basis and keeping them active. Janice is Director of Activities and has been a staff member since 1999.

20% of Vicar's Landing staff has over ten years of service

"We recently added a larger exercise area with state-of-the-art equipment and all-inclusive arts and crafts classroom and technology offerings," Janice says. "Many of the Members help run Vicar's themselves. One Member has been teaching two line dancing classes and she's fabulous."

With more than 350 full- and part-time staff members helping Vicar's Landing to run smoothly, it's no wonder that this oasis by the sea has remained steadfast and honored for more than 30 years!
