

October was a busy month at Waterman!

- We took a day trip to **St. Augustine Wild Reserve** (right), a non-profit corporation created as a rescue center for unwanted exotic animals.
- The Dinner Bunch enjoyed a visit to **Las Palmas Cuban Restaurant** in Mount Dora.
- Waterman Village residents enjoyed chicken dinners prepared and served by the juniors at **Mount Dora Christian Academy** (far right).
- Residents enjoyed the annual **Mount Dora Craft Festival**, a popular event that attracts thousands of people.
- There was a great turnout for the **Fall 2016 Golf Outing** with staff, residents, family members, vendors, friends, community officials, and future residents at the Country Club of Mount Dora. Visit our [Facebook](#) page to see a video (below right).
- Brain Wellness Academy for Seniors presented guest speaker Jenenne Valentino-Bottaro, Ph.D, who shared how dance helps the quality of life for those with **Parkinson's Disease** (below left).
- The Brain Fitness class learned how to **take photos with iPads** out in the courtyard on a beautiful day (below center).
- A great time was had by all at the annual Waterman Village **Oktoberfest** (bottom right)! Five hundred meals were served, as well as lots of beverages. The classic car show was a big hit as well - visit our [YouTube](#) channel to see a video!
