Nursing Home Week

Country Club Retirement Campus in Bellaire had a very successful Nursing Home Week celebration. The theme this year was "bring on the Fiesta" and that is exactly what we did! During this week we really got to enjoy our jobs and remember just how important each and every one of us are to our facility. We planned many events and gave away lots of prizes.

On Monday, May 11 we had a balloon launch to start of our festivities. We had over 30 residents let 350 balloons loose. They enjoyed watching them float off into the sky. After the balloon Launch we also had a taco bar and had mariachi music for the residents and the employees.

On Tuesday, May 12 we had a cook-out for our residents and employees. We had trivia games and tickets for participations to win prizes. We also had vendors and banks come to the facility for our employees.

On Wednesday, May 13 we made strawberry and lime slushies and had activities outside so the residents could enjoy the beautiful weather. Our employees also got to enjoy complimentary food in the break room.

On Thursday, May 14 we took our residents on a country ride. We rode out route 9 and enjoyed all the animals and flowers that were freshly bloomed.

On Friday, May 15 we had live entertainment preformed by Dave Milovac. We had root beer floats and cookies for our snack. We also drew two names of our employees and those two lucky employees won gas grills.
