**Medical President**  
TBD

**Mother's Day Tea**

The Activity and Dietary Staff joined forces to honor all the CCRC women for Mother's Day on Sunday, May 8, 2016. Over 100 residents, family and friends enjoyed great food and wonderful entertainment by Lowell Borchers. All women were honored with poems, flowers, songs, and time visiting with their loved ones. Thank you for attending and making our Mother's Day Tea such a success.

**National Nursing Home Week!**

Nursing Home Week was celebrated May 9 – May 13. Each day had a special theme and attire. We did the 50's with French fries and shakes; the roaring 20's with mocktails for everyone; Disco Day with cheese and chocolate fondues; 80's with pizza; we gave prizes for best theme attire, and dance contests, learned how to do the Hustle! Friday was our Balloon Launch with resident and staff releasing a helium balloon on the last day of our celebration. It was a great week! Lots of fun and activities for our residents and employees. Thanks to everyone for making it such a huge success!!!
