Each Oakmont community calendar is planned to include all of our Core Elements, listed above. Specific offerings will change from month to month and vary per location to reflect the interests of residents and local opportunities.

## The Oak Club Referral Program

Happy New Year to all of our Oakmont residents and families! In 2019, Oakmont will be opening several new communities located in Huntington Beach, El Dorado Hills, Santa Rosa (Villa Capri), and Valencia. As we invite new residents to join our Oakmont family, we want to remind you of our unique referral program, the Oak Club. This program rewards residents who successfully refer friends and family to our communities. When your referral has lived at Oakmont for 90 days, you will receive a rent credit.

As an Oak Club member, you will enjoy benefits including invitations to special events, a membership plaque to hang at your front door and the opportunity to enjoy the lifestyle you deserve in the company of those you know and love.

With communities across California and Nevada that offer varying levels of care, there are a multitude of options for friends and family who are seeking luxurious senior living. Visit our Community Locator (<https://oakmontseniorliving.com/find-a-community-near-you/>) to see a list of all of our communities. Please contact your Marketing Department if you know someone who might be interested in calling Oakmont their home.

## Community Profile

We are pleased to introduce Carol, a wonderful resident at Segovia. Whenever you see Carol, she always has a smile on her face and greets you with a friendly hello. Carol is originally from Fullerton. In the early 80s, she and her husband moved to Suncrest Country Club in the desert. Carole has four sons and twelve grandchildren, along with several step-grandchildren and great-grandchildren! Carol's husband was a pastor for 25 years. He also owned several patents on building products that he and Carol developed. When Carol's husband passed, she turned to writing to help her deal with her grief. She wrote the book, Treasures Hidden in the Darkness. We are grateful to call you a resident, Carol!
