

December 9th is National Christmas Card Day. Sending Christmas cards has been a holiday “must.” Use today to get a start on sending your holiday greetings. A good way to stay in touch with those far away is to mail them a card. Who doesn’t enjoy receiving a piece of mail that is not a bill?

Employee of the Month - *Mary Resar, Receptionist*

Tonjania Mason with Mary Resar (right)

Mary Resar, our receptionist, has worked at O’Neill Healthcare Lakewood since 2008! She is a dedicated member of our team and greets every visitor, resident, and staff member with a smile every day. Mary is very knowledgeable of the facility and does everything she can to make everyone feel comfortable. She does so much behind the scenes and we don’t know what we would do without her! Thank you, Mary, for your dedication to our facility.

Resident of the Month Beverly Nieberding - *December*

Beverly Nieberding was born in Michigan on September 18, 1924. She moved to Cleveland when she was 17 and married her husband, Ken, in October of 1943. Beverly and Ken had thirteen children together. She was a stay at home wife and mother until the untimely and sudden passing of Ken in 1974. Beverly began working at Lakewood Hospital and did so until she was 60-years old. She then worked part time for a cardiologist until she retired at the age of 82! Beverly has been a resident of O’Neill Healthcare Lakewood since April 2017. She loves being a resident here and thinks the residents and staff are delightful. You can always find her helping out with the Activities Department! We are glad that Beverly has become a part of our campus.

A SPECIAL NOTE FROM

The end of the year has come; be it good or bad we now have new memories to share. To make life more interesting for your loved one, print out or make copies of some of the pictures that you have from years gone by. Put them in a book or hang them in their room. Then when you visit or staff is in to see them they can reminisce.

Join us for a community education presentation

The Importance of Mental Stimulation

Learn more about how keeping your mind active can significantly improve your brain's health. We will also be making an ornament to take home.

Administrator's Corner

Dear Residents, Families, Friends, and Staff,

It's the most wonderful time of the year! It's also a very busy time of the year. Make sure you take some time to relax and enjoy making memories with friends and family. This time of the year is also about giving – whether you are giving to family and friends or to those in need. I encourage you to help those in need if you are able. Every year, we have a giving tree to ensure all of our residents receive a gift on Christmas. Please contact the Activities Department if you are interested in buying a gift for a resident this year. Keep in mind that you can always donate money and we will do the shopping for you!

As we near the end of 2017, I wanted to take a moment to thank all of our residents, families, friends, and staff for making it a wonderful year. Thank you for allowing us to care for you and your loved ones. I look forward to a delightful evening with you all on December 14th at our Holiday Gala. As always, please do not hesitate to contact me at any time.

I wish you all a very blessed holiday season and a Happy New Year!
