## THIS MONTH'S *silver star*

### DONALD WAGNER

Donald Wagner, of German descent, was born in Hanover, Pa. along with an older sister and younger brother. One hundred miles away and two years earlier, his lovely wife, Nyad, was born in the small town of Mt. Carmel. Donald's father worked for the government and his mother was a life-long seamstress. Donald attended the Pennsylvania School for the Deaf and lived in the dormitory during most of his schooling. Nyad and Don graduated together in 1951, fell in love, and were married in May of 1957. He decided to attend Gallaudet College to be a computer programmer while Nyad worked as a key punch operator. After one week, he received a letter from the Potomac Electric Power Company offering him a position as a printer. Knowing their son would attend college, eventually receiving his Master's Degree, they felt it was wise for Don to accept the position. He worked the night shift as a printer for 27 years. Nyad changed careers to become an administrative assistant to a college professor. Nyad needed to move to a warmer climate because of her health. They went to South Carolina, Georgia, and Alabama, but the high humidity was not the solution. Nyad read about FH in a magazine. After falling in love with this small town, they decided to move. They eventually bought a house in Sunridge Canyon. Once the house was complete, in 1998, they retired and moved permanently to FH. Their son, Joseph, now lives in Dublin, Ohio, working as an electrical engineer. Donald and Nyad have one grandson, Max. Over the years, the Wagners have traveled extensively. Their first travel outside of the U.S. was in 1986 with several deaf friends from college, to eight nations in Europe. After the group trip they became independent travelers — five safaris in Kenya; Iceland; Hawaii; Alaska; dog sledding in Aspen; Death Valley; Big Sur; and Captain Lord Mansion in Maine. Their adventures are wonderful memories of their fun-filled life. After Nyad had a fall, they decided to move to FVV where they have met so many wonderful people! Donald stays busy as our sun/moon volunteer and is a sharp Gin Rummy, Mexican Train, and Euchre player.

## JOIN US THIS MONTH FOR *shake it up in the new year*

Take a look around FVV and you'll see smiles on the faces of residents. They are inspired by each other to keep a positive attitude, have a great outlook on life, and make the best of what we have. Residents like Dorise Wanner are true inspirations to our community.

Her faith, family, and friends keep her going. Join us at Happy Hour on Jan. 16, as we celebrate her turning 102.

## PARADE *participants*

Thanksgiving Day Parade with Ruth's Fiat "dolloed" up. Also in the convertible were Irene, Kit, and Betty. Walking in the parade were employees and their families who showed their support for FVV. We have a lot to be thankful for!

## EVENT RECAP

# harvesting goodness with gratitude

Lamoyne Stiles displayed her quilt collection in Town Square and told stories about each quilt and her hobby. What a talented lady! In sharing ourselves with others, we are harvesting the goodness in our community. It makes us grateful to live in such a beautiful community surrounded by talented people.

## THIS MONTH'S heart hero

HOSPITALITY, EXCELLENCE,  
APPRECIATION,  
RESPECT, TEAMWORK

MARK BARKER was born in South Korea, an Air Force baby. When he was 5 years old, his family moved to Winchester, Mass., where he lived until college. After spending two years studying African politics/history, Mark changed his focus to graphic design. Although he is very artistic, computer technology changed Mark's perspective on his career. A desire for warmer weather brought him to Arizona in 2004. Mark managed two successful Subway stores, where he learned his business smarts. In 2008, Mark moved back to Massachusetts to care for his parents, who wanted to continue living in their own home in spite of their health. His quality of care extended their lives four more years. Mark moved back to Arizona and followed his passion of caring for others by obtaining a CNA degree. He interned at FVV's Skilled Rehab, was offered a position, and after four years, Mark transferred to be an Assisted Living Lead Caregiver. Mark enjoys working in all areas of care at our Community. He loves connecting with people and is inspired by those who are able to improve their health and grow into stronger people. Mark displays the attributes of HEART in everything he does and inspires the same in others. When Mark isn't at work, he enjoys going to dinner with friends, horseback riding, attending rodeos, and watching movies at the theater. At work he enjoys interacting with residents, listening to their stories, and enjoys working with good people who make a difference in the lives of others. The philosophy Mark lives by: "Care about the job you do and do it well!"

IT'S OUR PLEASURE
