Stonehill Organizational Updates...

Area Residential Care (ARC) and Stonehill Franciscan Services have shared a long partnership over the years. However, due to changes in federal dollars, difficulty in recruiting ARC employees and the development of our Service Techs, a mutual decision was to end our contract June 30, 2017. ARC employees will have the opportunity to apply for employment with Stonehill. ARC is working hard to find alternative work sites for those who need the additional support of a job coach and together our goal is to ensure a nice transition for our ARC employees. We thank ARC and their employees for the support and joy they brought to our campus!

Some time ago, I heard Dr. Sanjay Gupta speak and he said the 2 things older people wish they would have taken better care of is their teeth and their feet. I find this to be true as I get older too!! Centers for Medicare and Medicaid Services (CMS) also support proper oral hygiene and has written new regulation requiring oral health assessments. Stonehill is fortunate to work with Crescent Community Health and Dr. Chris Strohmeyer. Both providers come to Stonehill which supports easy access and treatment. For any questions regarding these services, please feel free to ask our social workers, Michelle Booher, Kristin Beusse or Sheila Van Gordon.

A "Farewell Blessing" is something we offer at the time of a resident's passing. This involves asking permission from the resident's family or representative to announce the passing and a final blessing will take place at the main entrance. We will ring a bell prior to announcing so members of Stonehill will know we have lost one of our own. If permission is granted the name of the resident will be said and anyone available can participate for the final blessing at the main entrance. Reverence is part of our core values and we recognize in life and in death, we all share in God's divine mercy.

We recently hired Susi DuBois as our Dining Services Director. Susi is working closely with her team and some wonderful changes are happening in the delivery of dining services. One area of study is the presentation of food. One such change involved our Compassionate Cart. This is a cart filled with nourishment and refreshments to help sustain family and/or friends when their loved one is making their final journey home. We have had many compliments since this change and if you have any thoughts or ideas on how to improve our delivery of dining services, we would be happy to hear from you!

I wish you a blessed Summer and thank you for your support and friendship!

Stonehill Auxiliary

THANK YOU to all who supported the Auxiliary's Spring luncheon & style show. We continue to receive glowing reports on the event. The food and decorations were definitely a highlight as well as the fashions provided by local clothiers.

A special "Thank You" to Luann Hillary, the luncheon chairwoman and our faithful volunteers. Luann dedicates time and effort to make the style show a huge success. Proceeds from the luncheon make it possible for the Auxiliary to provide parties and programs and support projects for the residents at Stonehill.

THANK YOU to Luann Hillary and Paula Lange for making the beautiful flower and plant arrangements and to the bakers who donated baked goods for the bake/flower sale held the Friday before Mother's Day.

To all that supported this event – thank you!

The Ice Cream Social will be held Sunday, June 11th – 2:30 p.m. "Older & Bolder" will provide entertainment. Families are welcome.

Our Gift Shop (located in the coffee shop area) is open 12:30 p.m. to 2:30 p.m. Tuesday, Wednesday & Thursday. Volunteers are needed to assist with parties/programs & the gift shop. Call Mona at 582-6506, Linda at 588-2578 or Pat at 582-7887 for more information.

**TOP
SECRET**

Shhhh! It's a secret!

We are seeking help from our residents and families as we plan a surprise for our Stonehill staff. July 23-29 is Employee Appreciation Week. As a way of saying *thank you* for all they do and the difference they make in the lives of others, we are looking for your stories.

Do you have a story about how a staff member made your day?

Maybe it was a small act of kindness. Perhaps they went out of their way to do something special for you or spend a little extra time with you. Maybe they simply lent an ear, shared a smile, gave a laugh, or added some sparkle to your day.

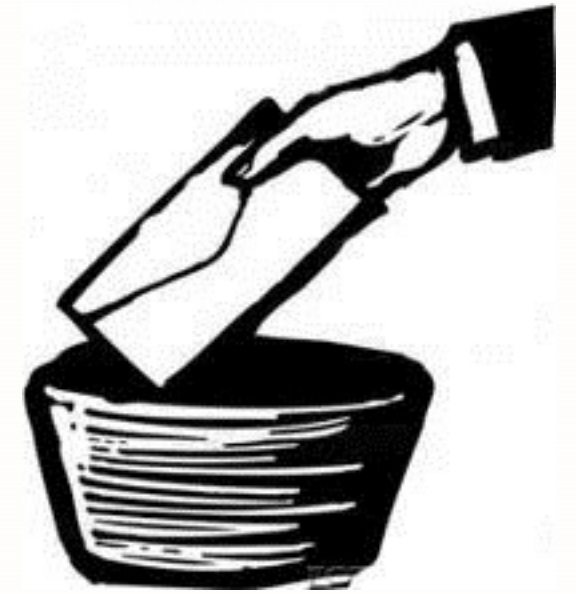

It doesn't matter how big or small the act, what matters is that we let them know how much it meant to you.

We are looking for stories that involve staff in all roles—nurses, dining services, housekeeping, reception, maintenance, transportation, activities, social services, spiritual care, wellness ... any staff who made a positive difference in your day.

To tell your story, just contact us. We'll schedule a time to videotape you telling your story. Your story need not be lengthy. In fact, we are looking for stories of no more than 10-20 seconds on tape. We will put all of the stories together into one video that will be shown on campus during Employee Appreciation Week.

If you are willing to help us with this surprise and have a story to share, please contact Candace Croft, Staff Development Coordinator (563) 557-7180, ext 1151 to schedule your session. And remember ...

Shhhh! It's a secret!

Thank you to the donors who gave on Great Give Day! During this 24 hour online event Stonehill raised \$2,262 toward the chapel renovation. There is still time to give! The Spring or Annual Appeal is taking place now. Donations to the Spring Appeal will go toward campus renovations, such as the chapel. This project is expected to cost approximately \$800,000, so donations are greatly appreciated. Donations can be made to the Stonehill Benevolent Foundation 3485 Windsor Ave. Dubuque, IA 52001 or online at www.stonehilldbq.com. Thank you for your generosity

Going To The Chapel by Fran Mancl, CNA – Pastoral Care Team Member

Compared to when I first began employment as a CNA at Stonehill Care Center in 1996 (some 21 years ago), there is now a very striking new look on the Stonehill Franciscan Services campus. New buildings and remodeling are very evident—Assisi Village, Stonehill Wellness Center, and CCDI, Skilled, and Healthcare Households. They truly reflect and enhance the continuum and quality of healthcare services that are provided. It is wonderful that many generations of residents have made Stonehill the focus of their attention for servicing their physical healthcare needs.

When it comes to any future vision or plan for the Stonehill campus, it is critical to consistently have the spiritual life—faith in God—at the very center of who we are and all that we do.

It has always been my understanding and experience that any vision or plan for the Stonehill campus was to have the Chapel, to have prayer, to have worship of God at the center of its community life—the pivot upon which all of Stonehill's life would center and revolve. Daily prayer and Mass would take place in the Chapel for residents, their families, visitors, volunteers, and staff. Many generations of residents and their families have also made the Chapel the focus of their spiritual life along with their overall physical well-being. It is where they prayed, meditated, worshiped, and deepened their life of faith.

The Chapel renovation is so needed to have Stonehill Franciscan Services be a place that continues to inspire residents and caregivers to grow in faith and reflect on their own lives in relationship to their creator, sustainer, and redeemer.

So much emphasis over the past several years has been placed on the renovation of "healthcare-services buildings" for the physical well-being of residents. It is so uplifting that Stonehill Franciscan Services is not overlooking the renovation of areas for residents' spiritual well-being. Namely the Chapel! The Chapel conveys that our faith in God is at the very center of who we are and all that we do at Stonehill.

Gratitude for the physical and spiritual well-being of residents on campus needs to be extended to the Franciscan Sisters. Their vision and commitment to quality care in the spirit of St. Francis of Assisi has been evident throughout the lifetime of Stonehill Franciscan Services. Their Franciscan spirituality and charism will be sustained and enriched through the renovation of the Chapel on campus. It certainly is a key reason why I continue to love providing services of care as a CNA for residents at Stonehill. Both our physical and spiritual well-being truly matter.

I trust I will not be alone in supporting the renovation of the Chapel. I have every reason to believe many will join me. I'm going to the Chapel. Come join me in prayer!
