February's Theme—Love

Judy George, Spiritual Care Coordinator
812-429-0700 Ext. 2257

with love that any other tool. When we become discouraged we need to love more and more. Is love always easy? No it isn't; but it is profitable in every situation of life. I feel if we can get to the power of love we can make it through any and all situations.

Valentine cards are necessary and good! It is good to declare our love and strengthen our relationships! Small deeds done with kindness can make a big difference! Even a greeting with a smile can brighten another's day.

“Love is the beginning ,
Love is the middle and love
Is the end. After He comes in,
All you see is “Jesus only, Jesus
ever.”

Oswald Chamber

Enjoy your month of love, and I challenge you to re-new your love with all your friends !! Let us not be a clanging cymbal! Sometimes we make a lot of noise and have no love! HAPPY VALENTINE'S DAY!!

Love is the theme for the month of February!

“Love never fails. But, whether there are prophecies, they will fail; whether there are tongues, they will cease; whether there is knowledge, it will vanish.”

I Corinthians 13:8.

I believe that Love is the key to life and life more abundantly! More will be done and accomplished

Throughout this newsletter there are various black and white photos that are our residents with their sweet-hearts. See if you recognize them!

Volunteer of Month

Pettijeans...

...Herman and Norma join us for almost every clabber-time on the activity calendar. They are so kind, helpful, and patient with the residents! Herman comes by his clabber skills quite naturally, since his mother—Mildred Pettijean—was a longtime resident/clabber player here at Heritage Center. We love when our residents' families stay close!

Staff HOORAY!

Kara R....

...An outstanding CNA on the Reflections unit... a few words about Kara from her residents and co-workers..."I love her. She is so outstanding! Her heart is all about the residents." Kara is studying to become a social worker so she can continue being an advocate for others to make a great difference in all ways.

Resident of Month!

Marilyn H....

...grewup in Booneville...the middle of of seven children—2 sisters and 4 brothers. Her dad was a coal miner. On a double-date with her younger sister, they both met their husbands (that happened to be brothers). She loved singing and was part of the Ladies Church Choir for thirty five years. Marilyn loves the Lord!

Do You Want to Build a Snowman?

Though...you can't build a snowman without snow, so we just made one in Wednesday crafts. According to Courier & Press, "To date, just 0.4 inches of snow has been recorded at Evansville Regional Airport. That was on January 5, and it wasn't even enough to cover the ground in most places. If we go without snow the rest of the winter, this would be the least measured in Evansville in records dating back to 1948-49, according to the National Weather Service. The current record for snowfall (well, the lack thereof) was in 2011-12, when just 0.5 inches fell.
