Pleasant News

August 2016

From the Administrator

Another busy month has passed. One of the reasons for the busyness is with the unfortunate closing of the nursing home in Hutchinson, which led to inquiries and admissions at Pleasant View Home. We really want to welcome all of the folks who have joined us, and we look forward to getting acquainted with the residents and their families. Please join us in helping them feel welcome.

On a different note, when it comes to admissions, some may not realize that some of our "guests" are of the "furry" variety. Two new kittens have joined us on Ivy Grove and have amused us with their tricks and antics. In the Heritage Inn we look forward to visits from Shasta the Great Pyrenees with the great heart for spending time with elders. We have always had a number of elders who have been joined by their very own personal pets who reside with their owner, 24/7. Pets are a blessing, offering comfort and companionship, and we welcome them.

PVH Wellness Center

August is upon us, school is right around the corner, followed by the beautiful fall colors and cooler temperatures. Some of you have stayed indoors most of the summer due to the heat and humidity, but I am going to give you a few reasons why it is better to get up and get moving regardless of the temperatures outside.

Senior Exercise: The Benefits of Regular Exercise

We've all been told by our friends, family and doctors the benefits of regular exercise, but below are some of the reasons why its such a good idea and how it can benefit you!

1. **One of the Healthiest Things You Can Do:** Being physically active on a regular basis is one of the healthiest things you can do for yourself. Studies show exercise provides many health benefits now and down the road. Being active helps you stay strong and fit enough to keep doing the things you like to do as you get older. Making exercise a regular part of you life can improve your health and help you maintain your independent living lifestyle.
2. **Being Inactive Can Be Risky:** Some older adults are afraid that exercise will be too hard or that physical activities will harm them, some even think they have to join a gym or have special equipment. Studies show that the "taking it easy" lifestyle can be very risky. When older people lose their ability to do things on their own, it doesn't happen just because they've aged, it usually happens because they are not active. The lack of physical activity can lead to more visits to the doctor, more hospitalizations and more use of medicines for a variety of illnesses.
3. **Be as Active as Possible:** Staying physically active and exercising regularly can produce long-term health benefits and even improve your health, even for those of you that already have diseases and/or disabilities. Besides the benefits that regular exercise gives you, it also can help improve your mental health. **You Make The Choice!!**

August 2016 East View Villa and Estates Activities

Hello and Greetings to our friends in the Estates and East View Villa! While the summer has flown by, we have not been without some fun activities to help us pass the time. In July we enjoyed a 4th of July celebration and fireworks, and we also had a Royals themed supper of hot dogs and other ball park treats.

Most of you have heard by now that my time at the Estates is coming to an end. With some pressing personal matters to attend to, I had to make the difficult decision to leave in order to have extra time to be with family in the upcoming months. I have treasured my time working in the Estates. Each resident and their unique personality and perspective have enriched my life. I wish and pray the best for each person. I thank you for graciously welcoming me, Darren, and Abi during my time here. Your kindness will not be soon forgotten and I will miss you all dearly. While my last day will be sometime in August, I haven't planned many activities on the calendar right now. If I am able to do some special activities, I will make announcements, flyers and hopefully spread the word.

I apologize that the schedule is rather scarce on the calendar, but hopefully we will still enjoy some fellowship this month! Please note the Estates Program on Aug. 9th, and that the games supper night has been moved to the 4th week this month—and the menu will be lasagna. Enjoy the rest of the summer & stay cool!

Blessings,
Jocelyn Busick

Chaplain's Corner

It is the day after the completion of the Republican National Convention, held in the Quicken Arena of Cleveland, Ohio. Looking back on it, it was a week of many successes; I haven't heard of any major skirmishes or disturbances either inside the arena or outside of it; there were no terrorist attacks, and no policemen were shot. The most notable glitch was the Wednesday night speech presented by Senator Ted Cruz, who told the audience, and the people of America to "vote their conscience," refusing to give his approval to Donald Trump for presidency. Like millions of Americans last night, we stayed up late, actually later than we normally would have, listening to the Republican candidate for the presidency of these United States of America. Many of us enjoyed listening to his comments, nodding our heads in approval, and inwardly giving our approval of his convictions. There were some issues that we wonder if we were listening to political bluster – PROBABLY SO! Next week, many of us will hear from the Democrats, including presumptive democratic candidate Hillary Clinton; and again, we will be sitting in judgment. Through this whole process, in which we Americans have endured so much already, may we pray for the Lord's sovereign will to be exercised, and that His will be done. Psalm 75:6, 7 says, "Exaltation comes neither from the east nor from the west nor from the south; but God is the Judge: He puts down one and exalts another." Chapel services are held each Thursday at 6:30 P.M. with guest speakers from neighboring churches presenting God's Word; the line-up for August will be the following: a) August 4 "yours truly" will present the message entitled "The Perks of Being Saved;" b) August 11, Zoar MB Church; c) August 18, Zion Mennonite Church; and d) August 25 Inman Mennonite Church. Also, on September 1, Hoffnungsau Mennonite Church will host the service.

Passing on to receive their eternal reward were Howard Thiessen (July 12) and Betty Sechler (July 14). How thankful we believers in Christ should be that because of our relationship to the Savior, there are no final "goodbyes," only "until we see one another again – in glory!"

PLEASANT HILLS

Here we are approaching another month, and hard to believe summer will be ending and school will be beginning!! We have been trying to keep ourselves busy here with activities, our favorite outing is going to the moose for bingo, the residents are always looking forward to it!! We also enjoy our weekly bible studies, and balloon bopping on Wednesdays!

Our staff member Barb enjoys taking residents out for a bit on Saturdays to garage sales, shopping or just going for a cruise and getting a cold treat. One weekend she brought them up to Dillon's to see the Oscar Mayer Mobile.

Ivy Grove is the home of two special new kittens! One of the little cuties made it down to my office, curled up in my chair and decided to spend the day with me. I know first hand that having pets running around here is not only good for those who live here, but for those who work here too!

Cottonwood Corner

Hello from hot Midwest Kansas! Cottonwood was lucky enough to squeeze in our annual farm trip to Nurse Janet Regehr's farm before the 100 degree temperatures! Every year Janet is our Jewel to invite us to see her amazing variety of roses, garden and take rides around the farm on the "gator". But we all know we truly come for her fresh baked cinnamon rolls! Thank you Janet every year for your love to us!

Our Sun-room on CC is set up perfectly to see the In-

man fireworks on the 4th of July and our residents either watched them from their rooms or watched from the Sun-room. Thank you Inman for the show! Our staff truly enjoy the daily life here at PVH no matter what they are doing each day. Here Susan is helping Amalia with puzzles.

A group of ladies gathered at the CC table this month to make a fun picture craft of themselves!! They painted popsicle sticks, glued them together, then glued a picture on top of the sticks & then painted a clear coat over to make it shiny! We hung them in their rooms!

One of our favorite monthly activities is to go eat breakfast somewhere and the common place that everyone wants to go to is the Firehouse Café in Hutch. If you have never been there, beware, the pancakes are Huge!! Amanda was looking forward to shopping at the big Dillons Super Store on 30th in Hutch. We could spend hours in ting hungry! So their salad bar Volunteers make fast!! What a help!

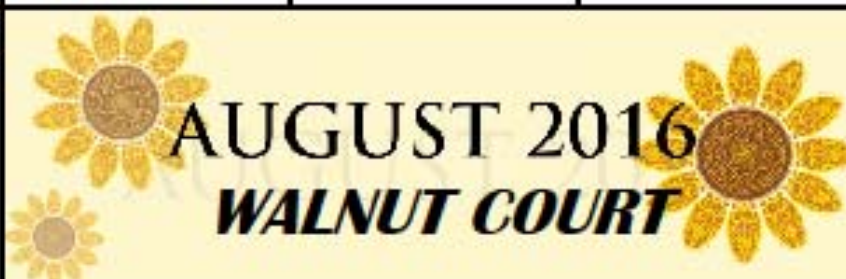

there looking and get-we made sure to eat before we left! Our Jr. the summer go by so

A group of ladies made a flower sachet for our rooms this month. It made Cottonwood Neighborhood smell like a garden as we were making these! To the right we are all holding our finished sachets! We also went to the Inman Museum where we were given a 1st class tour again! Thank you Mr. Vogel & Mr. Bohling for your kindness. Always fun to hit Hobby Lobby and the Hutch Mall during the summer because it is air conditioned and boy did we need that!

PLEASE PUT SEPT. 13 ON YOUR CALENDAR TO COME TO THE KS STATE FAIR WITH US! RSVP ME BY PHONE OR EMAIL! THANKS!

We had a lot of fun over here in Walnut Court during July! We popped fireworks and even grilled outside for lunch! We had a ball at The Alley eating some pizza and bowling. Sadly we had to reschedule our shopping at Sallina mall but we will be going Aug. 2nd!

The Plaza

Wow it was so hot muggy and rainy this past month, but it sure has helped our vegetables that we are growing. We have picked some and served them with meals and have used for salads.

Guaadulpe Cantu went home to be with his wife, we will miss him. Plaza welcomed Earlene Everhart and Roger Colgin to our Neighborhood.

We celebrated the 4th of July with a home cooked barbeque with all the trimmings. And of course we had poppers in which everyone was having fun doing. Plaza celebrated 5 birthdays this past month each with a special dinner of their choosing.

We'd like to say a Happy Anniversary to Bob and Paulette Rump as they have been married for 44 years.

Lynn Bryant has a birthday on August 2nd. And will most definitely have cake. Our Take Out Tuesdays are a hit with our Elders so we will continue that. We are gearing up for the Kansas State Fair on September 12th. Hopefully the weather is good and not too hot. As always if you have any questions or concerns don't hesitate to call or email me. I am in the office Tuesdays and Thursdays. Hope this is a Blessed month for all.

Ivy Grove & Rapid Recovery

Well I hope everyone's 4th of July was super safe. We shot a few fireworks off here and we were able to sit out on the deck or watch from Cottonwoods windows Inman's celebration as well. It was a good show.

We have Resident Council every month and July was no exception. It is a serious meeting. It is ran by the residents for the residents. Our President Helen leads it and she does a great job. We

talk about everything from how they are sleeping, activity ideas, paint colors for a wall, resident rights, their dining experience

and that's just to name a few.

We had the Breakfast Bus and it seems the Firehouse Café is a favorite. Butch and John sure enjoy getting a huge "fireman's" portion. That bus is always full.

Yes eating again. This time it was at our local café after going to the local museum. That is a must see. I have been there multiple times myself and I like it every time. There is some wonderful Inman history there.

We of course still continue to play Bingo. It is still a big favorite. Leona's family made it extra special for her because they came in to play with her. Below is Floyd playing

with his friend, Elijah and it looks like he just got a Bingo. He is super excited.

Garrie is new here and he is making friends right away. It is hard to tell but this black bump sitting with him is

Midnight. Ivy adopted her and a grey kitten Stormy. She jumped in his lap and backed into that hole to make herself comfy. It sure tickled Garrie.

We will be going to the Kansas State Fair in Hutchinson Thursday, September 15th. If you would like to join us please contact me at 620-585-6411 or email at the address below.
