## Notes:

The Activity Department is willing to recycle any cards you no longer wish to use that have not been written on inside the front cover. The front will be cut off and sent to a children's place where they will be "refurbished" and "reused". There are several limitations on what they are able to take, but the Activity Department will sort them before sending. Please bring any unwanted cards to one of our staff.

Each week our Activity Department works with residents cutting out coupons, which are then sent to Support our Troops Troopon Program. We recently received a thank you note explaining the coupons are included in many boxes they send to commissaries overseas. These coupons reach countless hands of grateful military members' families, and children that have expressed how "exponentially helpful" it is to receive them. If you have coupons you know you can't use, please bring them in and we will process them.

Also... there are several other items we would be willing to accept: good donatable necklaces, earrings (clip on welcome), etc.

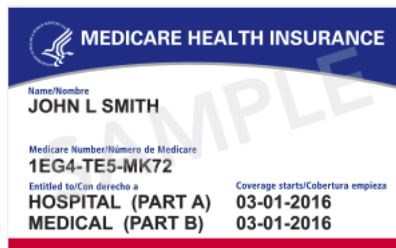

for Bingo Buck prizes; bottles of lotion you no longer wish to use. You can help our department and your space at the same time!

*You are welcome to join the men for Men's Coffee & Dominoes every Wednesday at 3:30 in the Coffee Bar.*

## New Medicare Cards

Each Medicare beneficiary will be receiving a new Medicare card. This new card will no longer have social security numbers on it. It will look something like this:

Please bring your new card to the Business Office or send a copy to us when you receive it so we can update our records. We will need this information to bill any Medicare services such as Skilled Medicare or therapies. Thank you for your cooperation. Debi Weast
