Senior Living by Lutherans for All

Fall 2017

Thanks So Much!

The past year was a time of great blessings for Augsburg. Our supporting congregations and our “Partners in Mission”, Augsburg’s individual donors, were very generous and enthusiastically supportive.

All three of our appeals (Continue to Care, Resident Care Fund and the Circle of Love) saw an increase in giving from the previous year. This is paramount to our mission as all three directly impact the lives of our residents. Two appeals provide funding for the benevolent care of residents who can no longer afford to pay and the Resident Care Fund enables those same residents an opportunity to purchase wheel chairs, walkers and items of “dignity”, such as dentures and glasses. In addition, this past year Augsburg had its inaugural Bull and Oyster Roast raising over \$20,000 to benefit the Resident Care Fund.

Augsburg’s donors are faithful and committed to improving the lives of our residents. When asked to help fund the purchase of electric beds for the residents in our nursing home, over \$12,000.00 was lovingly donated to improve the quality of care and the safety of residents and nursing staff.

Planned giving continues to be the greatest source of larger and sustained gifting to Augsburg. Estate gifts are directed to the Caroline Lang Endowment Fund where the monies are wisely invested to protect the future of Augsburg. The Katenkamp Society, a collection of individuals who have included Augsburg in their estate plan, continues to grow. In 2016, Augsburg was the recipient of a \$1,000,000 bequest from a very generous donor who recognized the Lutheran mission Augsburg strives to fulfill.

Moving forward, Mission Advancement will be crucial to

Norman Hebron, Maintenance Department, puts together a new electric bed the was made possible by generous donors. An appeal was made in the last Bulletin and funds were raised to purchase 10 brand new electric beds.

Mr. Glenn Erickson, Mrs. Ann Erickson and Mrs. Barbara Herron present a check for \$100,000 to Board Chair Al Lietzau, IV. The gift comes from the congregation of Second English that recently closed. The gift will be the start of a fundraising effort to improve Augsburg’s aging Assisted Living program.

Augsburg’s growth and direction. Recently, Augsburg completed its most comprehensive strategic plan to date. The plan’s most significant element is the commitment that Augsburg should expand its mission to serve more people and to improve its services to residents. The greatest opportunities for growth and expanded services are in Independent Living and Assisted Living.

In fact, Assisted Living is perhaps Augsburg’s greatest opportunity for mission expansion; while at the same time in need of improvements. There is a great need in the community for this level of care. In comparison to the marketplace, Augsburg has very moderate rates. But an Assisted Living resident may require years of care and sometimes they run out of money, resulting in Augsburg’s need to provide uncompensated services. Most of Augsburg’s annual charity care is provided in Assisted Living. As we plan for the coming year, it is highly likely that our fundraising efforts will be directed to provide enhanced services in Assisted Living.

When our “Partners in Mission” donate to Augsburg, their support goes directly to our residents needs. Your financial support changes lives. It touches the hearts of our residents. I, along with Executive Director, Glenn Scherer and the Board of Directors, take the stewardship of your benevolence very seriously. We ensure your donations are used appropriately.

I thank you for your continued support. There is so much need in this world; we are honored that you choose Augsburg to be the recipient of your benevolence. We are thankful that you choose to be a partner in our mission ... “to care for our residents as if they were the Lord, Himself”

*Matt Madden
Director of Mission Advancement*

With Gratitude and Appreciation

Those who have generously responded with gifts to Augsburg provide help to residents in need. Access to eyeglasses, trips to the beauty shop or properly fitted dentures are often taken for granted by many of us, occasionally our residents do not have funds available for such amenities. Gifts to Augsburg assure that such needs are fulfilled as they arise. With grateful hearts, we acknowledge and thank those who have helped.

125th Anniversary Extravaganza

Saturday, October 14, 2017 • 7:30-11:00 • Martin’s West

Enclosed in this edition of the bulletin please find information on Augsburg’s 125th Anniversary Extravaganza. I hope that you can attend this special event celebrating the years of mission at Augsburg. Our event last year—Bull and Oyster Roast—was attended by 240 supporters and this year we reserved space for over 300. Not only is it a fun and exciting night out; but, it’s for a great cause. All proceeds will go to a fund to improve Augsburg’s Assisted Living Program. I look forward to seeing you there!

Augsburg will regularly publish a donor recognition list in the Bulletin. This list reflects gifts made from July 1, 2016 to June 30, 2017. Every effort has been made to ensure the accuracy of the information presented on these lists, please accept our apology for any errors or oversights. Should you have any changes, corrections, or questions contact Matt Madden, Publisher at 410-486-4573 or via email at mmadden@augsb.org.

Augsburg Lutheran Home of Maryland, Inc. is owned and operated by about 80 member churches from the Evangelical Lutheran Church in America, Delaware-Maryland Synod and from the Lutheran Church-Missouri Synod, Southeastern District. Member congregations have three Delegates each who attend the Annual Meeting of the Corporation in May of each year and who elect a 15-member Board of Directors who are responsible for the Corporation. Membership is open to any interested Lutheran congregation. Please send all inquiries to the address at right. Augsburg’s Executive Director is Glenn Scherer. Augsburg Lutheran Home of Maryland, Inc. is also pledged to the letter and spirit of U.S. policy for the achievement of equal housing opportunity. We encourage and support affirmative advertising and marketing programs in which there are no barriers to obtaining housing because of race, color, religion, gender, handicap, familial status or national origin. Augsburg gives priority to Lutheran applicants, but does not exclude other applicants.
