## Cambridge December Newsletter 2017

Greetings from the Gorham House,

I am really having a difficult time trying to figure out how Thanksgiving is upon us and Christmas is right around the corner. I guess it goes with the phrase "Time Flies When You Are Having Fun! "

Our residents have been busy making crafts for our Gorham House tree that is on display at The Warren Congregational Church for the Festival Of Trees. Please stop by and see it the week of December 3rd. This year the theme is Victorian.

We have had a change over in the Activity

Department and we welcome Jessica Reisman on our Oxford Unit and Kim Munro on Windsor II. They are both doing very well and are an asset to the Activity Department.

We have many Christmas Activities planned as you can see by our list of Events.

I am looking forward to seeing many of you at our Christmas Party which will be held on December 4th. We will have beverages, food and music to bring in the Christmas spirit. See you then!

Best regards,

Jeannine Lessard
