## A MESSAGE FROM OUR EXECUTIVE DIRECTOR

It is exciting to announce that 2015 marks the 50th anniversary of Landsun Homes! Landsun has been serving the needs and sharing love with older adults since 1965.

Retired Landsun Chaplain, Erwin Van Essen, put it best *"Landsun is a Home built with Love!"* Nowhere is this more evident than in the daily demonstrations of love in action displayed by a committed staff as they care for wonderful residents throughout the campus.

It is a privilege to bring hope and share God's love with families as they navigate a new and sometimes challenging phase in the life of their loved ones.

Landsun Homes has been blessed in recent months by *"Gifts from God"* that has helped retire debt, address facility updates, and open the door to additional service opportunities on our campus. These new services include; on-site rehabilitation and Assisted Living with Memory Care.

But, there is still more to do. Our vision for 2015 is to complete additional updates on our facility and implement ways to make the love and care we give our residents even more special. We believe your lives can also be enriched as you participate with us in our exciting vision for 2015 and the next 50 years. We want to let the love that has always been a part of Landsun on the inside, show on the outside, too!

We are thrilled about what God is doing at Landsun! And we invite you to join us in 2015 as we celebrate around our theme "A new vision of hope for our tradition of caring."

If you cannot visit the campus... check our website [landsunhomes.com](http://landsunhomes.com) or call us to receive more information. If you need us to bring our 50th celebration to you, let us know!!
