Bumbling Bugs

Now that warmer weather has arrived, reddish brown bugs known around here as “June Bugs”, begin coming out at night and clumsily bump into light fixtures and anything else close to them. Seeing these bugs bumbling around make them seem like the most idiotic bugs in the world, yet somehow new generations of them show up each year. The offspring of these insects are white grubs, famous for eating roots that cause damage to lawns. Although there are many attempts by knowledgeable horticulturists to rid lawns of these pests, they persist. This problem can be perceived in a number of ways. I invite you to consider a

perspective that scripture may suggest. The Apostle Paul wrote in I Corinthians 1:27-29, ...“God chose what is foolish in the world to shame the wise; God chose what is weak in the world to shame the strong; **28** God chose what is low and despised in the world, things that are not, to reduce to nothing things that are, **29** so that no one might boast in the presence of God.”

Worldly knowledge can help us understand more about this world that we live in, but it is limited. As we gain more and more of such knowledge, we can develop the false sense that we fully understand God's creation; yet we have barely scratched the surface, and are far from reaching the omniscient mind of God. Compared to God's wisdom, our knowledge is like that of bumbling bugs. *Chaplain Doug the Bug.*

Life Enrichment News

By Joe Monserrat

Summer is heating up here at PBC. Our theme this summer will be a splash! 'Seas the Day' is the name of our beach fun theme and you will get a chance to explore beach destinations as well as sharing your own favorite beach locations. Each neighborhood will have its own unique summer style just like the many beaches of New Jersey and Delaware that you traveled to. In June we are kicking off our summer theme with Shark Week starting on June 12. Science for seniors will do a presentation on June 13 on sharks and other creatures of the deep. We hope this summer will bring back happy memories like those Wild Wood Days, or On the Way to Cape May. Seas the Day!
