Comfort and care is close by.

It's wonderful to be able to spend time with family and friends during the holidays. Unfortunately, this is a time when we notice that a parent, loved one, neighbor or friend is forgetting to take their medication. Or having difficulty moving around or leaving the house, or worse. DuBois Village Personal Care Community can enhance their quality of life. Imagine the peace of mind everyone could feel knowing one choice would take care of everything. If you notice someone is struggling at home alone,

Call us today at [814-375-LIVE](tel:814-375-LIVE) to discover the lifestyle they deserve, with the safety, security and affordability they need.
