Giving Thanks

Good Samaritan Dinner 2017

The Village had much to be thankful for in 2017 and on November 4th nearly 70 of its supporters gathered together to celebrate our many blessings at the 38th Annual Good Samaritan Dinner. The special event was held at the Village Green in the Halbritter Dinner Theater. The theme was one of thanksgiving encouraging the guests to reflect on the past year. A thankful tree was placed in the reception area for everyone to share what they were most thankful for in 2017.

The Village would not be here today without dedicated staff and community members who give both of their time and money. Our supporters are our greatest blessing. During the dinner, Corey Jones, Chief Executive Officer, recognized groups and individuals who made significant contributions to The Village and its residents throughout the year. The Distinguished Service Award was given to The Village at Morrisons Cove Spiritual Care Volunteers. The Award of Giving was presented to Laurel Medical Solutions and the Award of Caring was given to Diane Golomb.

Thankful Tree.

The Manor House

Beautifully decorated. Full of character. A hidden treasure. These words are often used to describe the Manor House, a Victorian-Style home, nestled in the heart of The Village campus. The old farmhouse was acquired by The Village years ago and completely restored to the original structure. Today the Manor House serves as a charming Bed & Breakfast that is available for overnight stays as well as many different social events including showers, teas, and meetings. If you are looking for a nice, quiet place for your out-of-town guests or a unique venue for a special occasion, the Manor House is the perfect solution.

It's your Special Day!

Capture those once-in-a-lifetime moments on your wedding day.

Full use of the Manor House is available for:

- ◆ Wedding Ceremony
- ◆ Weekend accommodations for the Wedding Party
- ◆ Use of the house the morning of the ceremony
- ◆ Complimentary night stay for the Bride and Groom on wedding night

Beautifully decorated for pictures. Call **814-793-5238** for more details.

Making a Difference

Pictured to the right Kelly Steele presents Chief Randy Acker from the Martinsburg Volunteer Fire Company with a \$1,300 check. Each year The Village hosts a spaghetti dinner to help raise funds for the local fire department. We are proud to partner with our local community organizations. Thank you to all of the volunteers who help to keep our communities and its residents safe every day.

Pictured below Nancy Farringer, President of The Village at Morrisons Cove Auxiliary, presents Dawn McCartney (left) and Mike Lightner (right) with a gift of \$25,000 for the Good Samaritan Fund. The Auxiliary works very hard through the year to help raise funds for our nursing home residents and their care. Thank you to the Auxiliary for all of the great work that it does!

Thank You for your generosity!

The Village is blessed to have hard-working, dedicated employees who often go above and beyond their job duties. All of our employees have the option of contributing to the Good Samaritan Fund through payroll deduction. Since establishing the Employee Contribution Program in 2012, The Village staff has contributed nearly \$40,000 toward residents and their care! We thank our employees for their compassion and continued commitment not only to their specific job areas, but also to our ministry as a whole.

MORE THAN

65%

of our nursing home residents do not have the resources to cover the cost of their care.

Get involved in our ministry.

Our residents greatly depend on the generosity of individuals and groups within our community. Without these gifts of both time and money, we would not be able to provide for their needs each day. Our Good Samaritan Fund allows us to take care of our residents'

daily needs such as medication, transportation to outside appointments, or even a haircut. We ask that you consider helping with the small essentials that have a significant impact on our residents' lives through a monthly contribution to our Good Samaritan Fund. A monthly contribution is an easy and convenient way to ensure that our residents continue to receive the best in care. For more information on recurring monthly gifts, please contact Andrea Moses at 814-793-2104 x.2270.
