THE CHALLENGE Celebrating 20 years

Twenty years ago The Village began a tradition that has become one of its most popular events. The Challenge Golf Tournament was established to help raise additional funds to aid in the care of our nursing home residents.

With the support and guidance of Wes Lingenfelter, The Challenge quickly grew into one of the most popular tournaments in the area. There are few events that continue to uphold the integrity of the game and offer the level of competition that The Challenge does.

This year nearly 100 golfers came together at Iron Masters Country Club for the 20th Annual Challenge Golf Tournament on Friday, May 18th. The event raised just over \$15,000 for the care of our residents!

We are grateful to all of the golfers, sponsors, and volunteers over the years who have contributed to the success of this event in its 20 year span. A special thank you to Morrison Community Living and Diamond Pharmacy for their continued support each year.

The anniversary cake pictured above was donated by Don Zimmerman, whose team has golfed in The Challenge every year.

Pictured above is the DeGol Organization team who took 1st place in the tournament this year. From left to right: Spencer Hinish, Ron Hinish, Anthony DeGol, and Dennis DeGol. Sweetland Engineering tied our Challenge team for 2nd Place. A BIG thank you to all of our teams for friendly competition and a great day of golf!

Volunteer Appreciation 2018

The Village was proud to celebrate all of our volunteers during National Volunteer Appreciation Week (April 16th—20th). The Activities Department along with the Chaplaincy Program planned a fun-filled week of recognizing and celebrating those who help to make The Village a better place for our residents and staff. For each day of the week, a special gift or activity was planned. Volunteers are the heart of our ministry at The Village. The time and attention that they give to our residents and our facility is invaluable. We appreciate them not only one week out of the year, but every single day. Our volunteers truly are shining stars!

Pictured above are the volunteers who gave more than 100 hours of their time in the past year. Left to right: Luther Steele, Ken Claar, Diana Lauver, Audrey Cooper, Lillian Dilling, Dottie Steele, Marlene Aurandt, Dave Patterson, Linda Bequeath, Brad Runkle, Jean Farringer, Roseann Fregone, Vicki Weyant, Joyce Paden, and Lois Kensinger. Absent from photo: Marie Bechtel, Janet Butler, Lon Calhoun, Dave Farringer, Nancy Farringer, Gary Koontz, Lois Lear, Judy Pheasant, Linda Showalter, and Janet Zook.

Wellness Update

For much of 2018, The Village has been in the planning stages for the next phase of our wellness program. With the support of a few generous individuals, we are now able to move forward with the proposed Wellness Center, which will feature an indoor pool, exercise equipment, and an area designated for fitness classes. For residents on our campus, we recognize that staying active is a major component to maintaining a healthy lifestyle. Our goal for many years has been to help our residents as well as those in the community remain healthy and active. The Wellness Center allows us to offer more options to do just that and provides our residents with a convenient location for their fitness needs. The expected start date for the Wellness Center is this fall.

Pictured above is an exterior view of the proposed Wellness Center. Below is the most recent floorplan.

Thank You...

to everyone who helped with the Auxiliary's Annual Chicken BBQ in May. From those who sold tickets to those who bought tickets. And to all of the volunteers who contributed food and helped in the kitchen that day. We could not have done it without you! The event was another success raising over \$5,000. These funds will go toward the care of our nursing home residents at The Village.
