SCENES AROUND THE VILLAGE

In 1977 we opened the doors to the Nursing Center at Nottingham Village. For all of 2017 we have been celebrating our 40th Anniversary with fun events for residents and staff. On August 26th we held a fireworks extravaganza!

Rainbow over the Retirement Center

Spectacular fall foliage adorns the Nottingham Village campus.

A NEW BEGINNING

Architectural rendering of our new Heather Court for Memory Care is scheduled to open the end of November. An open floor plan with four distinct neighborhoods offers a secure setting both inside and outdoors. Private and semi-private suites, without confusing hallways, offer more intimate areas for dining and activities.

Seven students from Shikellamy School District had the opportunity to tour Nottingham Village Senior Living Community's campus. The students were participating in "Camp Stream", a two week integrated learning experience offered through PA Career Link that focuses on career exploration through the use of business tours and employer guest speakers. Pictured are Betty Crawl, Florence Keiler, Rosemary Dowd, Belle Kamsler, and Ruth Berger, Students are Salangel Noll, Ford Yocum, Rubie Natal, Brianna Mossbrooks, Selena Kamsler, Sommer Faust, and Hannah Grenell.

Nottingham Village honors our volunteers at a sumptuous brunch.

Our newest retirement Country House design on Hampton Way has been very popular. We offer an oversized two car garage as well as granite countertops, stainless appliances, custom closets, full attic and an architecturally designed floor plan.

When household chores are getting you down, think about joining our Nottingham family. We'll do all that work while you enjoy friends, activities and delicious meals. Spend your time doing the things you really enjoy doing. For more information call Judi Karr at 570-473-2360
