## Activities Around the Village

Several members of the Nottingham Village Knit-Wits presented Kathy O'Grady with gloves, mittens, and scarves that were hand made or donated by residents for Central Susquehanna Opportunities, Inc. "Keep Our Kids Warm" program. These items will be given to children in the area that can benefit from warm winter clothing.

A festive Mardi Gras party was held for the Retirement Center residents. It was complete with a King cake? Masks and smiles were galore!

Ruth Campfield enjoys the Mardi Gras party at the Retirement Center while sporting her crown.

### New Heather Court

Residents of our new Heather Court Memory Care center enjoy an afternoon of music by Rick and Harv in the front lobby. We offer four separate neighborhoods with twelve residents in each. But entertainment can be enjoyed by all in our lobby.
