Auxiliary News

The Auxiliary celebrated 40 years at our November meeting. The Auxiliary was started on July 20, 1977 with a meeting at the Midway Pavilion and the LVBH Board appointed Ruth Baldwin and Ethel Wenger to conduct this meeting. A follow up meeting was held on August 20, 1977 and Pat Bucher was elected President of the Auxiliary. We were very fortunate to have Pat Bucher in attendance at last month's celebration. We presented her with flowers for accepting the challenge of leading an Auxiliary and for setting the standards high for the rest of us to follow. By May 1978 the Auxiliary had raised \$10,000.00 to establish a Gift Shop. The first chicken barbeque was held in 1978. The Auxiliary went on to have the first yard sale, open a thrift shop, started the nut sale, had a bazaar, and more. Most of the events started by the Auxiliary continue today even though some of them are no longer run by the Auxiliary. We are proud of what we have done over the years. Thank you, Pat, for starting us on a road to success!

The membership campaign for 2018 for the Auxiliary has started. Men and women are welcome to join the Auxiliary. Yearly membership is by a donation. If you are interested in becoming a Lifetime member, the cost is \$100.00. Interestingly in 1977 the fee for a Lifetime Member was \$100.00, so in 40 years that has never changed!

Get ready to shop 'til you drop! The Village Boutique (Thrift Shop) will be expanding. In the New Year the Boutique will be expanded to include the Garden Room. With more space, we will be able to display more items. Watch for notices about the hours of operation when construction to expand the Boutique begins.

There is no Sunday evening program in December, but save January 21 to come and hear "Brothers in Grace". Offerings from the Sunday evening programs this year are being used to pay for a bladder scanner for Leffler Care.

We wish everyone a Merry Christmas and a Happy New Year! We hope to see you in January at the Sunday evening program and at our meeting in February.

<u>Convenience Store News</u> – Hours: Monday–Friday December 10:30 a.m. to 1:50 p.m.

In this Christmas month, I have two thoughts to share....

One is for the reality of our Lord's birth and purpose to bring peace, joy, and happiness to your hearts and minds.

The second tradition seems to bring to our attention a summary of the last year and I feel I have much to share and convey to you on that subject.

During this past year it was necessary for my assistant, Ken, and my assistant, Janet, to forgo their roles at the store. As you can image this news came sadly as a result of many years of togetherness. I miss them and wish them much contentment in their future years. One should always recognize rainbows after the rain and I am not different. Because of the faithfulness of dozens of clerks, helpers, shoppers, new additions, and new products and ideas, the result is a group of happy customers turning the store into a joyful, buzzing beehive at times.

We are pleased to see our CDS Program being activated. Special days have produced the yummiest of treats and our "End of Month" discount days have added happy savings.

Changes have been made that have eased the pressures on our clerks by hour and responsibility reassignment. Sometimes the pressures of business complications with our Snickers Box, Gift Certificates or Vehicle Routing have caused confusion, but thankfully with the understanding and patience of our kind customers and staff, we are winning the battle.

Oh Yes! I almost forgot! Do not forget to visit our "Christmas Gift Shop" that is featuring a "Think About It Corner". It will offer great holiday fun!

Merry Christmas from The Jewelry Committee

With Christmas rapidly approaching, we begin to reflect on gratitude and giving. As you consider your gift giving, remember it's not too early to think about your jewelry donations for the 2018 Estate/Yard Sale. Jewelry in any condition is appreciated! We accept donations of rings, necklaces, bracelets, watches, purses, and jewelry boxes. Each piece of jewelry is carefully evaluated, priced and prepared for the sale. We continue to accept donations of rings, necklaces, bracelets, watches, purses, and jewelry boxes. As the estate sale approaches, we will need white egg cartons to display

donated earrings. All donations can be dropped off with receptionists Barbara Showers or Barbara Kreider.

Christmas Decorations As you are getting out your Christmas decorations consider donating any unwanted items to the yard sale. Each item is evaluated and sold for fair prices. Any unwanted items not needed can be donated to the estate & yard sale at any time. Also as you are putting away Christmas decorations consider donating unwanted items instead of storing them.

Buffenmyer Model Train Display

A breathtaking model train display. The layout includes approximately 250 ft. of track and 8 trains with local historical scenes in a Christmas setting during the 1940 to 1960 era. More changes have been made in the last year with ice harvesting activities, snow removal operations, more animations, structures, scenery, figures and details.

Residents will again serve as operating engineers for the show and will add trains from their own layouts to the attraction. The layout is in the basement, so it is limited to residents who are able to use the stairs.

December 14 or December 20

Reservations are required for the beginning time of your visit to avoid congestion and enhance your viewing experience. See reservation form in this newsletter to choose your date and time. Confirmation and points of interest leaflet will be placed in your mailbox after December 9.
