Grand Opening of the Rehabilitation & Wellness Center

On September 22nd the Shook Home celebrated the grand opening of the Shook Rehabilitation & Wellness Center. The day began with a Ribbon Cutting Ceremony where several distinguished speakers discussed the trials and tribulations the Shook Home administration encountered and how they persevered to bring about new services and opportunities for the Chambersburg community. The dedication, patience, and encouragement of many resulted in the Rehabilitation & Wellness Center becoming a reality.

Following the ceremony guests were invited into the Rehab Center for scrumptious hors d'oeuvres and refreshments that were provided by Main Street Deli Catering. The Therapy Department provided tours and discussed the services, equipment, and daily operations of the new inpatient and outpatient therapy gyms and aquatic therapy pool. In addition, our guests

toured the six private inpatient rehabilitation rooms that would soon be available to community members in need. The guests and staff enjoyed new Shook Rehabilitation & Wellness t-shirts, along with desserts

by Cindy Lepo as well as live entertainment by a harpist and violinist. The event was a huge success with over 150 guests in attendance! The center is now open and accepting new patients!

Carnival

With Hurricane Irma looming in the distance, concerns arose that our carnival might have to be moved inside this year. However, Saturday September 16th turned out to be a perfect day. As promised, our celebration was bigger and better than last year. The Chambersburg Police Department, Masons Lodge #143, families, friends, and employees conducted the carnival games. Prizes were awarded to lucky winners who tried their luck. Activities assistant, Eden, offered his artistic skills by drawing caricatures of residents and their family members. Residents also visited the petting zoo which featured chickens, goats, and a newborn calf. While listening to country music entertainment by Shayne Carmack residents enjoyed soft pretzels, cotton candy and saw staff members take a dip in the dunking booth. But, both the weather and the event were beautiful. Until next year folks!

Hershey Park Adventure

On September 24th our activities department escorted some residents to Hershey Park. They were able to enjoy the surroundings, stop at the eateries, and even enjoy a relaxing ride on the Hershey Monorail. Everyone was Hershey Park Happy!

“A Point of Light”

Former President George H. W. Bush famously called service ministries in our nation’s communities “a thousand points of light.” It has been my experience since joining the staff, that the Shook Home is one of those bright “points of light” in the Chambersburg area community.

I have been impressed by the Administration and Board of Directors dedicated to making the Shook Home a premier health care facility in our area. I have observed the high quality of care that is delivered daily by our compassionate staff. Our residents and their families often remark to me how grateful they are for the care that they are receiving at Shook. The recent addition of our modern Rehabilitation and Wellness Center further expands our mission to persons needing long term and short term health care. On the day of the dedication of our new addition while touring the building my wife was so impressed that she remarked, “If I ever need short term rehab, I’m coming to Shook!”

I am experiencing acceptance and warmth of human love from both our residents and our staff. I also sense the loving presence of the Spirit of God who has blessed our community with the gift of the Shook Home. It is my prayer that the Shook Home’s “point of light” of quality care and compassionate ministry will continue to glow with increasing brightness in the Chambersburg area community.
