"Sharing Christ Through Caring Service"

Bethel Achieves Sought-After 5-Star Quality Rating

October 2017

Congratulations to the staff and residents at Bethel Lutheran Home for achieving a 5-star rating from the Centers for Medicare & Medicaid Services (CMS) this summer!

Each nursing home's star rating is featured on CMS's Nursing Home Compare website at www.medicare.gov/nursinghomecompare.

Ratings are based on health inspections, staffing, and quality care

measures. Each facility also receives an overall rating.

Nursing homes vary in the quality of care and services provided to their residents. Data used to compile these ratings provides a "snapshot" of each nursing home's quality.

CMS provides the star rating as part of a toolkit to give consumers questions to ask when shop-

ping for a nursing home.

All nursing homes which receive federal funding for Medicare and Medicaid services are regularly surveyed by CMS inspectors. Facility staff are required to report clinical information about

Lisa Schaefer

each of their residents to CMS, which uses the data to measure nursing home quality, such as whether residents have received

their flu shots, are in pain, or are losing weight. These measures are often called the "quality of resident care." Each facility's scores are posted on the Nursing Home Compare website, which features two types of resident care quality measures: short-stay quality measures and long-stay quality measures.

Short-stay resident quality measures depict the average quality of resident

Protecting Our Loved Ones During Cold and Flu Season

Cold and flu season is upon us! Please take note of this message from Sabrina Susanen, Bethel's Infection Prevention Nurse:

Cold and flu season can be a dangerous time of year for nursing home residents, due to their weakened immune system and how quickly cold and flu germs can spread in a healthcare environment.

The good news is that you can help prevent your loved one and other residents from becoming ill with a cold or the flu.

- Please do not visit if you are ill. Elderly residents are much more susceptible to becoming ill with a cold or the flu.
- When you do visit your loved one, please use hand sanitizer to sanitize your hands. Wear a mask if you have a cough or are just getting over an illness. Bethel provides masks and hand sanitizer in the entry of the nursing home and assisted living, and hand

sanitizer stations are located throughout the nursing home.

- Good hand hygiene is the best way to help prevent illness. Wash your hands often, and wash them well.
- If you are unsure if you should visit, please speak with a charge nurse before visiting.
- We encourage you to get your annual influenza vaccine to protect

Stacie Thompson

yourself from the flu.

If you have any questions or concerns please call

Bethel at (605) 256.4539 and ask to speak with a Charge Nurse at any time.

By working together, we can help keep cold and flu germs out of Bethel and away from your loved ones.

Thank you for your help in keeping our residents healthy!

Stacie Thompson, RN,
Director of Nursing

Quality Care Requires Dedicated Team of Professionals

...Continued from page 1

care for those who stayed in a nursing home for less than 101 days. Short-stay residents often are those recovering from surgery or being discharged from a hospital stay. Many short-stay residents receive care in a nursing home until they're able to return home.

Long-stay resident quality measures depict the average quality of resident care for those who stayed in a nursing home for 101 days or more. Residents in a nursing home for a long-stay are usually not healthy

enough to leave a nursing home and cannot usually live at home or in a community setting. These residents may be older and have more serious health issues.

Everything we do at Bethel is based on quality care. We challenge each other to continuously improve each resident's care experience. Every month we analyze data to determine areas where care can improve. We celebrate each success and constantly embark upon new quality initiatives modeled by other providers. As our

residents' needs change, we must adapt our care to meet those needs while maintaining quality.

One thing is for sure: it takes dedication, compassion, and teamwork to reach a 5-star rating! I am so proud of our staff for achieving this honor.

Don't tell CMS, but even without the ratings, our staff remains committed to our residents. We love what we do! Thank you for allowing us to care for your loved ones.

Graff Receives Nursing Scholarship from Bethel Foundation

This summer Bethel staff were proud to congratulate Marissa Graff, a 2017 Madison High School graduate, as the recipient of Bethel Foundation's 2017-18 Nursing Scholarship.

The daughter of Tim and Beth Graff of Madison, Marissa has worked at Bethel Lutheran Home as a Certified Nurse Aide (CNA) since July 2014. She is now studying nursing at Dakota Wesleyan University in Mitchell, and plans to continue working at Bethel part-time while in college.

Instrumental in Marissa's decision to become a

nurse was her mother, Beth, a nurse at Madison Regional Health System. Marissa also recalls visiting her grandparents when they were residents at Bethel Home, which inspired her to become a CNA.

The Foundation's Nursing Scholarship is distributed per term and is awarded annually to a Bethel employee pursuing

a degree in nursing.

Additional donors of the Bethel Nursing Scholarship include St Peter Lutheran Church, St Peter Lutheran Church

CNA Marissa Graff received the 2017-18 Nursing Scholarship from the Bethel Foundation. She is pictured with longtime major donor DeAnn Molskness. Graff is studying nursing at Dakota Wesleyan University. Congratulations, Marissa!

WELCA, Linda Fischer, Russ and Rose Ellen Iverson, Gary and Rochelle Johnson, Kay Johnson, Pastor Conrad and Verna Krahling, and Karen Muth.

For more information about the scholarship, please contact Rosie Jamison at (605) 256-4539, or email rosie@bethelcommunity.com. †

Recalling those “Dog Days of Summer”

Although it is officially fall, it seems that Mother Nature is giving us one last taste of summer. We sure enjoyed those “dog days” of summer, and we welcomed the rains which helped the flowers look their best.

In June we held our volunteer brunch to thank our volunteers for all that they do for the residents at Bethel. We can never say “thank you” enough to those who make a difference for our residents.

On Tuesday afternoons this summer, we enjoyed hosting kids from the Summer Program as they

called out Bingo numbers.

We couldn’t have asked for better weather when the Madison Community Band came to entertain the residents in July. As they say, a good time was had by all! We also celebrated Christmas in July by listening to Christmas music, baking Christmas cookies, and wearing festive Christmas colors.

Resident Donna Lidel participated in August’s 4-H Achievement Days by judging place settings. This was right up her alley, as Donna often recalls the days when she served as a 4-H judge.

Deb Rohde

We hope that all of you who came to the annual Bethel picnic in August enjoyed spending time with your family, eating the delicious food and listening to the music. We are grateful that the rain held off until late afternoon when the very last chair was put away.

Also in August, the Prairie Village tractors drove through Bethel’s parking lot as residents and staff reminisced about farming and fairs. It was a beautiful evening to be outside when the Mustang Seeds staff treated the residents to a delicious supper of fresh corn on the cob and grilled hamburgers — what

a wonderful way to end the summer!

If you have visited Bethel lately you have probably noticed a different type of visitor. Special thanks to therapy dogs Amber, Elly, and Ruby, who visit often and put a big smile on our residents’ faces.

Happy Fall!

Deb Rohde, Activities

TRICK-or-TREAT

We are seeking donations of wrapped candy for Halloween! Each year, your donations allow us to distribute goodies to over 600 children who trick-or-treat at the nursing home and assisted living. Thank you! †

Clockwise starting top left: Environmental Services Director Ryan McCullough makes balloon animals at Bethel’s summer picnic. Residents enjoy a performance by the Madison Community Band, a picnic with Mustang Seeds staff, visits from therapy dogs, and a tractor show during the Prairie Village Jamboree.

Heritage and Blessings That Harvest Brings

I attended two events that represent our rural heritage, agricultural economy and growth from the early days in the Dakota Territory: the Prairie Village Steam Threshing Jamboree and the SD State Fair.

Prairie Village depicts our area's early history and the instrumental role the railroad had upon the continued settlement of the U.S. The Homestead Act of 1862 encouraged many homesteaders to the Dakotas. The railroad platted towns every six to 10 miles along the track, giving farmers access within a day's drive by team and wagon. This dotted the prairie with towns for the later wave of settlers made up of late 1800 immigrant children who kept moving west in search of land and opportunity.

That was true with my Granddad who rode by train to Roswell in 1907 and bought his land, two miles west and four miles south of that rail stop. Those 160 acres and more were worked by my Granddad with two horses, Prince and Bell; later, by my Dad, uncle and brothers with a 38 horse powered M Farmall Tractor; and now by my brother and nephews with a 350 horse powered tractor. Equipment used to make a living off the land has changed from a single row planter generations ago to today's 36 row planter on display at the SD State Fair last month. However, even with the many developments made in agriculture and our way of life, faith is still a fundamental element to persevere throughout one's labor, continued education and

countless investments, to reap a bountiful harvest. This belief is vital to the well-being of our families, communities and churches, both then and now.

At Bethel this is also true. We count our blessings for the individuals, families and businesses that provide support to Bethel. We are grateful for your faith in Bethel's ministry of care shown by your gifts and continued faith in us to "Sharing Christ Through Caring Service."

Many friends of Bethel may not be aware of our partnership with

Lutheran Planned Giving of South Dakota (LPGSD). The Bethel Lutheran Communi-

ty and Foundation are one of the twelve members of LPGSD, whose mission is to "create a rising tide of support to all ELCA Ministries by encouraging and assisting people of God to make lifelong gifts to Lutheran Planned Giving members." LPGSD provides education about giving opportunities to their members and gift options that provide tax benefits and life income for donors.

Currently Lutheran Planned Giving of South Dakota has a new program for ag producers called, "Straight Off the Truck." This program is designed for ag producers to make a gift of a portion of their truck load of grain harvested or animals going to market.

Consideration of this program for a gift to Bethel would be much

appreciated. Please see the enclosed form, or you can visit www.lpgsd.org, call Kathy McHenry at (605) 274.5030, or contact me at (605) 256.4539.

The 12th Annual Bethel Foundation Golf Tournament was a success. Please refer to information within this edition for more detail. Just over 120 individuals and businesses were involved in this FUN event as they helped raise FUNDS, nearly \$12,000, for Bethel. Mark your calendars and save the date for our 13th Annual Bethel Golf Tourney on Friday, August 3, 2018. Our goal is \$13,000 for next year, which will mark Bethel Foundation's 30th Anniversary.

Several member churches continue the tradition of gathering and giving to help fund the needs of their congregation through annual church dinners. Consider attending an additional celebration where you can reap the benefits of giving and fellowship during this harvest season.

Finally, we thank member congregations for your faithful gifts to Bethel. We are blessed by your support that is vital to our mission!

Sioux Valley Energy Grant Assists with Resident Safety and Comfort

Last summer the Bethel Foundation submitted a grant application to Sioux Valley Energy (SVE) Operation Round Up Board of Directors.

SVE approved a grant of \$1,000 to Bethel Lutheran Home Foundation, to assist in the funding of specialty wheelchairs, beds, shower chairs, rock-and-go wheelchairs and Arjo lifts. These items are enhancements over what we could normal-

SIoux VALLEY
ENERGY
A Touchstone Energy® Cooperative

ly provide for resident comfort and safety.

This spring we received more items with the assistance of the SVE Operation Round Up Grant. Specifically, we purchased Arjo lifts that allow staff members to assist residents more comfortably, safely and with

less strain on the resident and staff. These lifts also help to avoid potential accidents upon moving residents from their bed to their wheelchairs when transporting them for bathing and restorative care.

Bethel greatly appreciates the Operation Round Up

Grant approved by the Sioux Valley Energy Customers' Trust Board of Directors. Thank you for assisting our staff and residents with these daily activities! Your gift is a blessing in so many ways.

Also, we extend a heartfelt thank you to all members who participate in Operation Round Up through Sioux Valley Energy!

84 Golfers Make Golf Tournament a Success!

Eighty-four golfers participated in the 12th Annual Bethel Foundation Golf Tournament August 4th at Madison Country Club.

We were blessed with a perfect day during one of our largest Bethel Golf Tournaments to raise funds for continued quality care and Bethel's ongoing

ministry.

Thank you to all involved: golfers, sponsors, pin and door prize contributors, volunteers and employees! Placings were for the top two in each flights, Longest Putt and Chipping Contest. †

Above: 1st Flight 1st Place East River Electric Power Cooperative Team with a scramble score of 53 in 18 holes. Team members (left to right) are Brian Byrd, Mike Brooke, Dan Rinehart & Elliot Shoup-Owens.

Left: 1st Flight 2nd Place Bel Warriors Team with 56 strokes. Team members (left to right) are Josh Oakley, Mike Vernarsky, Brian Burch & Mike Zobel.

Left: 2nd Flight 1st Place Hefty Seed Co. – Marty Seten Team with 62 strokes. Team members (left to right) are Wager Stromer, Josh Mulder, Eric Bothun & Marty Seten.

Left: 2nd Flight 2nd Place Mustang Seeds, Inc. scoring 64. Team members (left to right) are Dan Bruna, Terry Schultz, Kasey Gehrels & Casey Crabtree.

Chipping Contest Winner onto tray in a pool: Bryson Nelson

Longest Putt Contest Winner: Jerry Hegdahl

Save the date: Next year's event is Friday, August 3, 2018!

Congratulations to all our winners!
