**Rebecca
Cullison**
Executive
Director
The Village at
Germantown

We have several announcements this month about changes in our leadership team. First, we are happy to welcome John Stuck to our team as Director of Support Services. John will oversee Security, House-keeping, Maintenance and Transportation. He's already off to a great start and making positive changes. Also, we are pleased to announce that

Rebecca DeRousse has accepted the position of Vice President, Healthcare Services. She has served in the interim role for the past several months and we are so glad to officially welcome her to our team. Finally, we are sad to announce that our Chief Financial Officer, Don Selheimer, will be leaving The Village. We are thankful to Don for his years of service. He will be greatly missed. A search is already underway for his replacement.

As always, please let me know if you have any questions or concerns.

Stew Williams explains the CATIE system to Ann Barnett at the Volunteer Fair held on June 8. More than 2 dozen volunteer committees displayed the many ways they share their time and talents to help make The Village such a wonderful place to live and thrive.

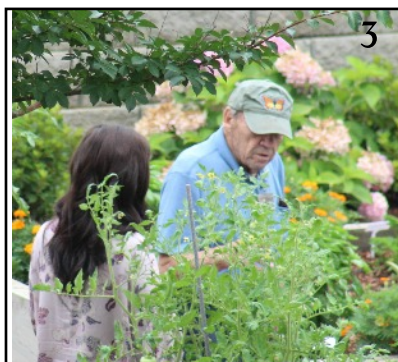

The Village Foundation board members presented Executive Director Rebecca Cullison with a check for \$250,000 at the Resident Council Meeting on June 27. Our Foundation works diligently year round raising money to ensure no resident has to worry about the future if their circumstances should change. If you would like to contribute to this effort, please contact any of the above: Jim Moore, Roger Buckmaster, Ray Shainberg or Ellie Appling.

Garden Picnic

Gus Wadlington (3) and his fellow gardeners hosted a picnic in the Village Garden on June 20. 1) Bird's eye view taken by drone, 2) Residents enjoy the Cookout Buffet, 4) Nick & Carolyn Buoni watch as George Browder checks out the competing tomato plants.

The Tree

By Gus Wadlington

I wish that someday I might be
As perfect and powerful as a tree
A tree strongly planted to the ground
That can neither be blown nor shaken down

With the wind whistling by, fast and loud
As it stands there strong and proud
Facing the world without a care
Accepting fate, facing every dare

Being part of nature and God, it stands
The proudest thing in all the land
Housing the birds and carpeting the world
With brown leaves as they fall and curl

Watching the world slowly drifting by
With the wind blowing a low sweet sigh
Sheltering the land from the blazing sun
Offering shade for the children's fun

The thing that makes a tree a tree
Is more than most the world can see
It's not just a plant growing in the ground
It's an image of perfection strong and sound.

When Charles Tilly sets a goal he means business! After asking Walmart to honor 100 coupons that usually limit only one per customer, Charles asked our residents to pitch in and set a goal of collecting 100 meals for the snack room at LeBonheur Hospital. He more than doubled his goal to collect over 200 meals! When Deacon Jack Conrad arrived for our Vespers Service, he was very pleased to receive this wonderful gift on behalf of the families of sick children at the hospital. Thank you to our residents and most of all, to Charles!
