

For Everything There is a Season

To My Friends,

I am having a very difficult time writing this article. I do not have the words to adequately describe the emotions I am experiencing. On January 30th of this year, I gave my official notice to the Board of Directors that I am retiring from King's Manor. My reasons have nothing to do with any happenings, events or circumstances at King's Manor, but much to do with personal goals and needs. This was not a decision made lightly or last minute – it was with great thought and prayer. I came to King's Manor 24 years ago as the Social Services Director: I fell in love with social work and with this place and its people.

Not long before taking the Executive Director position, I completed my Master's in Social Work with the intent of going into clinical social work eventually. I have found that I miss that professional arena. Becky Williams, our current Social Services Director and Admission Coordinator does an excellent job and has pointed out that she is not ready to give up that position! In order to fulfill that original dream, I have to leave my long-time home of King's Manor. However, I must note here, we are not leaving Hereford.

King's Manor Methodist Retirement System, Inc. is

a unique place, not just in the types of services it provides. The mission is "Caring for the Generations through the healing hands of Christ". The "hands" are what make it special. This community provides support in so many ways, including those of you who are physically separated by miles. You support it financially, through volunteerism, through music, through worship and with your prayers and your presence. Lastly, you support us with your patronage; trusting us to provide care for you and those you love.

King's Manor has a dedicated, knowledgeable and insightful Board of Directors that guides and directs the organization with over 40 years combined years of experience. The goals of King's Manor to serve this community by providing quality care, have not changed and will not change.

The Founder's Board is also composed of dedicated and experienced members who hold strong beliefs in the importance of benevolent care at King's Manor and the integrity to ensure funds are used wisely.

I wish I could name every staff member here and tell you what each contributes to this organization and to the care of our residents. Strong leadership permeates our walls; there

are dedicated, long-serving employees in every department. Jim Layman, is our CFO of 10 years and will continue to provide stability, integrity and leadership to King's Manor. I will not be leaving "my post" until a suitable individual has been hired and trained for the position. It has been such an honor and a privilege to know each of you; my fellow employees, family members and residents. So many faces and personalities have left imprints on my soul. I am forever changed.

New vision, fresh insight and different perspectives are good for organizations; King's Manor included. Don Davidson saw his vision come to reality 56 years ago, my tenor is but a blip on the radar. God has his hands on this place. Many a day I have come to work only to hear the words of the song, *How Great is Thy Faithfulness*, because "morning by morning His mercies I see". His hands will continue to cover this place as He always has, through you.

There is a time and a season for everything. I ask that you open your arms and your hearts to this coming season.

With a full heart and all the best wishes,

Shelly Moss

Samaritan Hospice: Asking the Tough Questions

Kings Manor Methodist Retirement System

As promised in last month’s Newsletter article by Liz Sullivan, is the questionnaire for families to use as a planning tool.

Who is your medical insurance with and where do you keep your card? (This may need to be asked every year since people sign up for other insurance programs in January. Request a copy of the card. The patient can call with you there to the insurance customer service line to get information on benefits, deductibles and co-pays.)

What is your social security number and where do you keep your card? (Request a copy of the card.)

Do you have a Medicare Card and where do you keep it? (Some people think they don’t need their Medicare card when they sign up for a Medicare advantage or replacement plan. They still need to keep their card. Request a copy of the card.)

Who is your primary care physician and what is his/her phone and address?

What pharmacy do you use to get your medications? (Get address/ phone no.)

Do you have a list of medications you are taking right now? (Get a list, keep it updated as medications can change frequently)

Have you signed a medical power of attorney? (If so, request a copy. If not, you can request one from Kings Manor Methodist Retirement System. Explain to your family member that it can *only* be used if the person is unable to answer for themselves. For example: if the individual were unconscious from a car accident and a medical procedure needed to be authorized. Whoever is the power of attorney, needs to remember that they are making decisions based on the *patient’s wishes* not their own. Families should have a conversation about what an individual might want and with the person assuming the role of power of attorney before paperwork is completed. Everyone needs to be comfortable with their roles.)

Have you signed an Out of Hospital Do Not Resuscitate? (OOHDNR) (If so, request a copy. If not, you can request one from Kings Manor Methodist Retirement System. Keep in mind that CPR becomes less effective with age and disease processes and frequently bones are broken in the process. Ask King’s Manor and Samaritan social workers for more information on this subject. This is a very personal decision, some individuals will not want to sign a DNR and it is their choice.)

Our Appreciation . . .

Grievances: Just a Reminder
If you have a grievance you would like to formally submit, there are forms available in the notebook on the table in the Westgate Activity Room with instructions. Also remember that survey results remain displayed on that same table.

Activity News

Manor News

May is here and I am praying for rain and ready for the sunshine. With that said, I have new ideas for our Assisted Living patio to help create a more relaxing fun summer for all the residents and families. On **Thursday May 10th at 6:30pm**, I would like to invite residents and families who would like to attend a volunteer meeting on adopting an area for our patio. I have a great idea in mind and need your input and help to create a plan. I look forward to seeing you at the meeting and FYI, I will be serving banana splits so bring your sweet tooth. On **May 11th at 2:30** in the Lamar Room we will have our annual Mother's Day Tea. Our theme will be, "**show and tell.**" If you have any memorabilia such as wedding photos, family photos, any-

thing dear to your heart that shares memories of being a mother or even of your mother, please bring them for display. I would like to thank everyone that came to our Volunteer/ Family Night last month. We had a great turn out. I would also like to thank again the **Friday morning men's group** for cooking and providing the meat for hamburgers, they were really great! With the warmer months coming I am looking forward to new and exciting activities so be sure and check your calendars for daily events. I pray everyone has a great month and Happy Mother's Day to all the moms.

Brenda Blacksher
Manor Activity Dir.

Westgate News

The weather is warming up for

outdoor activities. Fun, fun, fun! We start the month with a birthday party on the 3rd. On the 4th we will have Mariachi music and bakery breads. On the 5th fiesta lunch, on the 9th ice-cream bars in the gazebo, on the 10th crafts, and on the 11th Mother's Day poetry & tea party. The 14th -18th is **National Nursing Home Week**. The theme is celebrating, "life stories." Residents will share stories, memories, reminisce all week and end with a cook-out on the 18th. We will end the month with, "which war is it" trivia, patriotic videos on the 25th and popsicles on the 30th. Everyone have a wonderful and blessed month. Happy Mother's Day to all the moms.

W.G. Activities,
Chris & Bertha

Estella Delgado, Director of Housekeeping, Laundry and Transportation 40 years of Service

Next time you bump into Stella Delgado, pat her on the back and say "Congratulations"!! Stella came to work here as a housekeeper on May 26th 1978 as a housekeeper. She worked up to the position of Director of Housekeeper, changing King's Manor forever! This facility is immaculate under her direction. Stella has continued collecting jobs and titles through the years and has been the Director of Transportation and Laundry for years.

To say Stella has given forty years of service is really an understatement. It is more like forty years of hard labor. Rarely will you find Stella sitting. She is all over the building helping out her staff. If she is short a housekeeper, or if someone is ill, you can find her cleaning that area, or driving the van. She is all over the pan-handle! We found a newspaper clipping of Stella from the Brand, wielding a huge buffer, sporting a thick dark hair pulled back; no date on the clipping, but she was probably 19.

With a heart of a servitude and love, Stella spends her holidays taking residents home for holidays, so they

(Continued on Page 5)

Mrs. A. [Tony] Guzman, head of the house keeping department at the Manor along with her assistant's Stella Ruiz and Diana Griego have been working very hard this past week cleaning and vacuuming rugs and dusting the manor to it's shiniest. King's Manor and Westgate Nursing Home will be open all day Saturday for anyone interested in visiting the residents or viewing the home. The barbecue will begin at 5 p.m.

Tough Questions:

(Continued from Page 2)

Have you signed a Living Will or Directive to Physician? (If so, request a copy. If not, you can request a copy from Kings Manor Methodist Retirement System. Both forms serve the same function of allowing an individual to make decisions regarding life-support while of sound mind. If you have an irreversible, or terminal condition and two physicians agree on this prognosis, they will sign the document. An individual can state that they do not want life support should they go into cardiac arrest or have another life threatening event. Some forms allow a person to create a checklist of what they might want and not want, for example, blood products or antibiotics.)

Do you have funeral plans? (Find out where, funeral name, address and phone no. If not, start discussing as a family.)

Do you have a retirement plan/IRA/Pension, or CD's at the bank? Family members will have a much easier time if they are made aware of any or all investments and debts. A Durable Power of Attorney will be required of anyone other than the person on the account. Ask your loved one to assign someone to handle financial issues. The medical power of attorney will not be accepted by financial institutions, but will require a Financial Power of Attorney. The laws regarding all powers of attorney changed at the 85th Texas Legislature when House bill 1974 was passed going into effect on 9/1/2017. It would be wise to consult an attorney regarding this document to ensure it will be accepted at all institutions in Texas.

I know that you want to live in your home as long as possible, but, if your care is more than I can provide for you, and you need daily nursing care what are your wishes? I will be there for you, love you and visit you, but this is only in the event that you need more nursing care, where are you willing to go? (Talk about assisted living, and nursing home placement)

What other options are you willing to talk about? Do you have the finances for those options?

Things to follow up on:

Family member who asked the tough questions: _____

Elizabeth Sullivan,
LNFA, LMSW

Delgado:

(Continued from Page 4)

can have that time with their families. She has been known to do women's hair and makeup before she takes them to the gathering! She can tell you the name of every resident here and most everyone who has ever been here!

Stella can be found most days at noon, gathering with her staff in the breakroom. She often provides the meal to thank them for a job well done.

Thank YOU Stella for a job well done. You have been and will continue to be a great blessing to King's Manor!

Assisted Living Families

Summer Patio Project

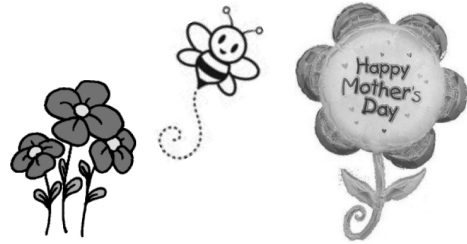

Date: May 10th, Time: 6:30p.m.

Place: Lamar Room

Serving: Banana Splits!
