

King's Manor's 40th Annual Founders Barbeque and Auction

Saturday, July 21, 2018 at 6:30 p.m.

Hereford ISD Building, 601 N. 25 Mile Avenue, Hereford, Texas

Featuring:

The Long Run
Experience The Eagles

King's Manor is so excited to celebrate our 40th Annual King's Manor BBQ with this Eagles Tribute Band. The Founder's Board has been saving this experience for a special occasion such as this! Since their debut nearly two decades ago, The Long Run – Experience The Eagles, is widely regarded as the finest Eagles tribute show touring today. Marked by lush vocal harmonies and exceptional musical accuracy, every TLR performance delivers a reverence for the legendary Eagles recordings blended with The Long Run's own live-concert personality. Based in Southern California, the six-member band delights audiences of all

ages with its faithful renditions of classic Eagles favorites.

Everyone is invited to attend this event. A delicious barbeque meal, live and silent auction and an unparalleled concert for the bargain price of \$35 ticket. The ticket seating is first come first serve. If you are interested in reserved seating, call King's Manor and inquire about Sponsorships – no later than July 12. Not only are you in for a great evening, but you will have the satisfaction of knowing that you have made a significant impact on a resident's life.

Since 1967, the Founder's Board has made it their goal that no one should be turned out of

their King's Manor home, due to inability to pay. If a Retirement Living or Assisted Living resident should run out of savings after living at King's Manor for at least one year, they are eligible to apply for a Founder's Benevolent Grant to bridge the gap between income and cost of care.

Remarkably, some of our Retirement Living residents have re-sided here for over a decade. Some have then moved into Assisted Living for just a bit more care. When saving money in the 1960's and 1970's – they had no idea they might live to be in their 9th decade

July is here and we have several special events planned for the month. We will start out on the 3rd with a cookout in the Gazebo at noon with the residents. On the 12th I scheduled homemade ice-cream in the Lamar Room for a great summer cool down. Friday the 13th I will be showing on our big screen the newly released, **“I Can Only Imagine” at 2p.m.** We welcome everyone to come and join us. Please invite family, friends and staff to this great film which truly represents what love and forgiveness means. So I hope to see you at the movies with pop-

corn and drinks provided. Our 40th Annual Founders BBQ will be on the 21st. “WOW”, hard to believe 40 years already. We invite everyone to come eat a great BBQ meal and enjoy the music. On the 31st I have planned an outing to go visit our friends at **Senior Citizens** for lunch at 11:00. Please let me know if you would like to attend by the 27th so I will have a headcount for transportation and for Senior Center. I pray everyone has a great 4th of July and many blessings.

Samaritan Hospice Honors our United States Veterans Kings Manor Methodist Retirement System

July is here the month of the RED, WHITE and BLUE...Samaritan Hospice has been honoring our military veterans for many years. We have now decided to take it a step further and join a great program that was developed by the National Hospice and Palliative Care Organization (NHPC) and the Department of Veterans Affairs.

We Honor Veterans campaign helps care for veterans at the end of life

It surprises many Americans to learn that 25 percent of all deaths in the US are veterans. That’s 1,800 people a day, more than 680,000 veterans every year. These heroic Americans deserve recognition for their military service—particularly at the end of life’s journey. The We Honor Veterans program was de-

veloped by the National Hospice and Palliative Care Organization (NHPC) and the Department of Veterans Affairs.

By recognizing the unique needs of our nation’s veterans who are facing a life-limiting illness, hospice providers are able to accompany and guide America’s veterans and their families toward a more peaceful ending. We Honor Veterans focuses on respectful inquiry, compassionate listening, and grateful acknowledgment, coupled with veteran-centered education of staff caring for veterans. Veterans often take great pride in their service, seeing it as a period of time when they did something meaningful to make a difference in the world—despite the fact they may have been imprisoned, tortured, wounded, exposed to atrocities, or

had other traumatic experiences.

However, not all veterans see their service as a positive one or do not see their sacrifice as having made any difference—and this has resulting complications. Understanding how veterans view their service, whether is it positive or negative, has implications for how they view their disease at the end of their life, especially if it’s related to their service.

Donald Schumacher, President of NHPCO, says, “America’s veterans have done everything asked of them in their mission to serve our country and we believe it is never too late to give them a hero’s welcome home. Now it’s time that we step up, acquire the necessary skills and fulfill our mission to serve these men and women with

the dignity they deserve.

We Honor Veterans helps hospice providers to:

- Learn more about caring for veterans.
- Declare a commitment to honoring veterans at the end of life.
- Partner with the VA.
- Assess their current ability to serve veterans.
- Provide education for hospice staff and volunteers.
- Measure quality and outcomes for continued improvement.

Samaritan Hospice has just begun this training and we are so excited to be able to bring more to our community with this amazing program. All patients admitted to

our program are assessed for their military history. We have already had 10 veteran recognition presentations for our patients and their families. We are excited to have trained veteran hospice volunteers that will be able to assist veteran patients and their families. We are proud to be a part of honoring our veterans and providing the best quality of hospice care possible to meet their needs.

We are happy to honor their service with a presentation ceremony and a Plaque of recognition. We

make this event as big or as small as the patient & family desires. Samaritan Hospice looks forward to visiting with anyone “Veteran or Layman” that wants to participate and become a volunteer. For more information Call Samaritan Hospice @ 806-363-6085

There will be other exciting items such as the iconic Hodges Backyard dinner for 16 hosted by Sharon and Steve Hodges, a hand-made wood sand box by Scott Wilcox, beautiful framed artwork and other surprises. This year we welcome back the engaging Brooklyn Golden and her family as the auctioneers for the event.

We are so very excited about this year’s event. We will have memorabilia from past Founder’s events on display and are looking forward to a delightful evening. This will be my last Founder’s event (as CEO), please come and send me off in style!

We hope you are making plans to participate!

Welcome Brent Carlson to our Board of Directors

Brent Carlson joined our Board of Directors in February of 2018. Brent is home grown and the son of Shirley and Roy Carlson;

graduating from Texas Tech with a degree in Agricultural Economics. He farms and ranches here in Deaf Smith County and is busy with his wife Joanna raising two tow-headed boys, Bradley and Mason. Brent has a great business head and has dived into the long-term care business with both feet. We appreciate his service!

Thank you to Bill and Barbara Townsend for donating the Popcorn Machine!

John Deere child’s replicas: one with and one without wagon (moving our child-care models off the tractors was quite the feat!).

Hereford sign donated by Sharon Hodges, watch donated by Arlene Arnold and Mackenzie Childs bowl donated by Melinda and Bill Bridge.
