C.C. Young Auxiliary Wednesday, February 15, 2017 Reception 10 a.m. - Program 10:30 a.m.

Hosted by University Park UMC Covenant Group

Greetings to All,

The Auxiliary had its first board meeting January 18 and, as a newcomer, I was thinking - another year, another opportunity to grow and learn, another place to be in service and another time to plan - and I don't know what and where to go! Fortunately, these board members had not been idle during the summer months and all is well.

Karen Brown has acquired an array of programs that you will not want to miss. A flyer announcing the February program is elsewhere in this newsletter.

Brianna Brown has set the dates for the <u>Spring and Fall Fundraisers</u> so mark your calendars NOW.

March 29 with Rose-Mary Rumbley at University Park UMC.

\*October 28 with Randy Brooks in The Point at C. C. Young

Service Opportunities:

◆ <u>Bazaar items</u>. Help is needed for items for our fundraisers. Bring your donations to any of the General Meetings for pricing and they will be stored at C. C. Young. Several have told me they have begun to do some Spring housecleaning, so now is a good time to bring those gently used or new items for which you have no more use. Brianna has a list of good suggestions in the packet the UMW presidents will receive shortly.

♥<u>Welcome Bags</u> - Rozina Vlasimsky has requested the need for litthe Kleenex packs, small hairbrushes, hand mirrors, toothbrushes, and toothpaste. These items may be brought to C. C. Young at any time.

◆<u>Sleeping mats for the homeless</u> – Do you crochet? Brianna Brown has organized a group of women at her church and at C. C. Young to crochet sleeping mats for the homeless out of plastic bags (grocery, etc.). This is a fun project once you get started. Non-crochet-ers can cut the bags for crocheting.

It promises to be a very exciting year with many opportunities and blessings. I look forward to working with you in this special ministry. If you have questions for which I might have an answer, do not hesitate to contact me.

Grace and Peace,

Lu Hester

February 2017

C. C. Young's culture and value words are faith, excellence, enrichment, kindness, and respect. I remind myself of those words regularly with hopes of honoring the mission and ministry of Reverend Christopher Conley Young, our namesake. I often wonder what he would think if he saw our campus today and knew our plans for the future. Would his dreams have been big enough to imagine today's level of service – with service provided to so many, both on and off campus?

Rev. C. C. Young

Each day we see more change. Near the end of February, the front entrance will be moved south and the construction area in front and beside The Blanton will be formally designated. We are adjusting to new parking spaces and a new rhythm on campus. Preparations are underway to market this new space and we are starting to think about operations once the building opens: what will need to change, who will be affected, how will we need to adjust? With only 18 months of construction ahead of opening, we need answers to those questions now so we will be prepared.

It is an honor and a privilege for our team to represent Reverend Young and our organization at this juncture in our history. More than that, though, it is a huge responsibility. And we gratefully embrace it!
