

Warm Beach

SENIOR COMMUNITY

Christ Centered - People Focused

April 2017

Dear Warm Beach Friend,

It's hard to believe we are already in our fourth month of 2017. Warm Beach is navigating change, as many of you likely are to, and we are facing it head on. We look forward to all this month has to offer, including a chance to celebrate our Lord this Easter. If you get a chance, come and worship and celebrate with us!

In This Month's Newsletter:

1. Good-Bye to Jennifer
2. Health & Wellness Series: Technology and Your Health
3. Transitioning from Life Behind the Wheel
4. Tiptoe Through the Tulips
5. A Poem for Easter

Good-bye to Jennifer

Jennifer, our Marketing Assistant, has been at Warm Beach for two years. During that time, she has made herself invaluable to all staff and found her way into the hearts of our residents. Her creativity and ability to spread the message of Warm Beach has been a fantastic asset for our team. Jennifer has accepted a new position closer to her home in Oak Harbor and will be missed around our community.

April Health & Wellness Focuses on Computer Health

For many people, computers are an extension of themselves and a critical piece of their lives. We do so much day-to-day business on our computers, but often don't understand the machines very well. Join Brian Ferrill, Warm Beach's IT Specialist, to learn more about what a healthy and safe computer is, and how you can protect your digital health. Join us Tuesday, April 18th at 2:00PM in Beachwood Lounge.

With great power the apostles continued to testify to the resurrection of the Lord Jesus. And God's grace was so powerfully at work in them all.
-Acts 4:33

April Health & Wellness Focuses on Computer Health

Join us Tuesday, April 18th at 2:00PM in Beachwood Lounge.

April is Distracted Driving Awareness Month

We all know that distracted driving is dangerous, and yet all too common. If you're concerned that your driving habits are putting you or someone else at risk, it may

be time to make a change. Seniors often cut back on their driving in stages. For example, they give up driving at night or only take short, familiar trips. Choosing not to drive anymore can be a difficult transition, but there are other transportation options. Ask about your local bus schedule and think about how you can carpool to church, grocery stores, or more. When it comes to driving, safest is always best!

Tulip Festival Returns this April

Inspired by the famous tulip festivals in Holland, the Skagit Valley Tulip Festival is held every April. Celebrate the local growers and artists by browsing art, food, and- of course- flowers! This festival is a Northwest favorite, and is always worth braving the rain for!

Without Easter **by Joanna Fuchs**

Without Easter,
there would be no hope of Heaven.

Without the hope of Heaven,
there would be no repentance,
no personal transformation,
no attempt to follow biblical principles.

Without Easter,
the world would be in chaos
and darkness.

Jesus' death and resurrection
means we can be reborn,
to live better, to do better,
to shine light into the shadows.

Hallelujah!

Happy, Happy Easter
