January Spotlight

The spotlight for the month of January is June Stolinski. June was born in Lemay, Missouri. She attended St. Andrews Grade School and Hancock High School. June has one sister, Shirley Chambers, who also resides at The Village at Nazareth. June went to work for Southern Commercial Bank at the age of 17. She worked there for 15 years before she decided to go to work for Hampton Bank, where she was in charge of the Safe Deposit Department. June loved her career at the bank.

June met her husband Dick, at the Young's People Club and they were married in 1955. They have three children and are the proud grandparents of six grandchildren. Their son Greg, lives in Canada, their daughter Karen, lives in Nebraska and their daughter Chris, lives in St. Louis.

As a young family, they took many trips to Florida where they visited their longtime friends. Yellowstone Park, Washington DC, Cape Cod, New York and Canada for fishing were just a few of the places that they visited. Picnics in the country and attending church were among their favorite things to do as a family.

As a youngster, June had fun playing ball, taking piano lessons and most of all, going to the local dances. She loved cooking and baking as a young mother. She also loved sewing and making clothes for her daughter. She was good at knitting as well, making hats, socks and such for her family. Sadly, June's husband, Dick, passed away in 1998.

June sure did like to travel. On her trip to Europe, she saw eight countries in seventeen days! Whew! She liked Hawaii so much, she went there twice! She has cruised to the Caribbean and visited Las Vegas, but her favorite was the Canadian Rocky trip. June and her daughter Chris, vacation every year to Florida. June loved the beach and her favorite spot was Destin.

June enjoys her iPad. She likes to keep up on Facetime with her grandchildren who live in Canada. She loves playing games such as Sudoku, Candy Crush and Spider Solitaire on her iPad. Getting together once a month with her friends to play Canasta is something she looks forward to. She enjoys watching her favorite soap opera on TV, going to Bingo and the parties that are held at The Village at Nazareth.

June's daughter Chris and granddaughter Katie, live nearby so she gets to spend time with them. They have a lot of fun together going out for lunch, shopping or just hanging out at their house.

June was a member of Immaculate Heart of Mary Parish for 15 years, then moved to the South County area where she has been a member of St. Margaret Mary for the past 48 years.

We are very happy to have June as part of our community. She's quite fun to get to know and always has a great story to tell. When you see June in passing, stop to introduce yourself and say hello!
