LIFE IS BETTER IN A VILLAGE

What does “Village Living” mean? For people who have chosen to live at The Village at Duxbury, it means the friendship and support of good neighbors and a short walk to the things we need most often.

For many, Village living is best defined by the feeling they get when they drive onto our beautifully landscaped campus.

And, The Village is part of a larger Village: The town of Duxbury. Known for its spectacular barrier beach, vibrant art scene, award winning schools, and the aptly named Snug Harbor, it’s the perfect location for a community like ours.

When you schedule a visit to The Village at Duxbury, be sure to save time for a drive over to French Memories Bakery.

A TASTE OF THE VILLAGE

Join us for a panel discussion by residents of the community facilitated by our executive director, Luke Kramer. This is a great opportunity to learn about the benefits of Village living, hear from the people who live at our community, and ask questions.

The discussion will be followed by a sampling of Duxbury cuisine including freshly shucked Oysters from Island Creek Oysters, Fried Chicken from Bongis Turkey Roost, assorted salads and grilled meats prepared by our own culinary team, and some delicious pastries from French Memories.

RSVP to 888-336-1349.

A MESSAGE FROM HARRIET

One of the questions I'm asked most frequently is, "How long until you will have an apartment or Garden Home available for me?" The short answer is, "That depends." If we don't have exactly what you're looking for when you visit, it's only a matter of time before we will. My best advice is to come in and let me know what matters most to you in your living space. Then I'll be able to predict what your wait time will be.

The good news is our Waiting List is free, unlike other retirement communities where you must first submit a deposit. I encourage you to attend one of our informative luncheon events or schedule a convenient time to meet with me to learn more. I'd be delighted to show you around our community and discuss your needs, all with no pressure and no obligation.
