Rachel Green— Switchboard Operator

Hello! My name is Rachel Green. I am Sunset Home's full time receptionist. I am who you typically see at the front desk most days when you enter our building or when you pass through our front lobby. It's been said that I am the Face of Sunset AND the Voice of Sunset. You see, I too am the recorded voice you hear when you call Sunset Home. I am honored to be known for both of these.

As the receptionist, I hope to make you feel welcome and hope to assist you any way I can. Jokingly, it's been said that "Rachel knows everything". I may not know everything but I will do my best to assist you as best as possible. With that being said, most days are quite busy. I do the transportation scheduling for our resident's doctor appointments. Any hair needs are scheduled through me as well. I try to make sure the Coffee Shop/ Ice Cream Shop is scheduled so that the residents, family members and staff have an opportunity to enjoy all the goodies found in there. I too am in charge of the resident personal trust accounts. And even on some Wednesday mornings you might hear me singing in Oliver's Chapel. Most days go very quickly.

Working here at Sunset Home continues to be a blessing to me. I love our residents and their families. I love the employees as well. I have made such good friends while working here over the past 8 years. I have built many wonderful relationships. I have shared in many joys and some sorrows. I've been a listening ear, a laughing partner and sometimes a shoulder to cry on. I wouldn't have it any other way!

I am happy to say I am married to a wonderful man who was my high school sweetheart. In June, Jeff and I will be married 30 years. We have 2 Beautiful daughters. Gabby, our oldest is a 1st year Music Teacher in Chicago. Isabella, our youngest is a very busy student at Quincy Junior High School. Along with life's business, my husband is a Pastor. So our family gets the opportunity to travel each week as we serve a beautiful congregation in Missouri.

I am truly blessed and hope to be a blessing to anyone who comes through Sunset Home's door, stops at the front desk or calls for assistance. I love "Sharing the Love of Jesus Christ through Life in a Caring Community". If you need anything PLEASE ask. I will be happy to assist you.

Be Blessed—Rachel Green

“Love is the BEST”

“Love bears all things, believes all things, hopes all things, endures all things. Now these three remain: faith, hope and love and the greatest of these is love.” 1 Corinthians 13:7 & 13

Since we celebrate Valentine’s Day during the month February, the month has often been known as the month of love. Love is a word used to describe a wide range of emotions. Other languages describe these emotions with separate words, but the English language uses only one word; LOVE.

The love as described in the Bible in the writings of the Apostle Paul is a Godly love. It is this type of love that has no limit. Godly love never says, “You have gone too far. I can’t love you now.” Christ like or Godly love leaves no doubt in the mind of another that you will continue to love steadfastly and unconditionally no matter what.

Godly love assumes the best about others. If someone inadvertently offends you, you may choose to believe the offense was unintentional. If someone seeks to harm you, you “bear all things”, forgiving them unconditionally. You never lose hope in the ones you love. You practice the same unconditional love toward others that God gives to you.

The Apostle Paul said in his writings that he was nothing if he had the faith to do all kinds of wonderful and miraculous things yet did not have God’s love. God expresses God’s complete and selfless love to you and when we pray and ask for it. God can express that complete, unconditional love through each of us when we surrender ourselves to God. May we be perfected in God’s love in such a complete way that we can express God’s unconditional love to everyone.

Shalom,
Pastor Dixie
