CLASSIC DAD JOKES

We can always count on dear ol’ dad to have a funny...or pun-ny joke in his back pocket ready to get us laughing when we most need it. Enjoy a good belly laugh with these ‘dad jokes’, then think about a joke your dad used to tell and share it with a friend!

- What did the buffalo say to his son when he left for college? *Bison*
- Did you hear about the restaurant on the moon? *Great food, no atmosphere*
- What do you call a pony with a sore throat? *A little horse*
- Why do crabs never give to charity? *Because they’re shellfish*
- What did the grape do when he got stepped on? *He let out a little wine*
- Why did the coffee file a police report? *It got mugged*
- Can February March? *No, but April May*
- Why don’t skeletons ever go trick-or-treating? *Because they have no body to go with*
- Where does Fonzie like to go for lunch? *Chick-Fil-Eyyyyyyyyyy*
- What do you call a fake noodle? *An Impasta*
- Why couldn’t the bicycle stand up by itself? *It was two tired*
- Where do you learn to make ice cream? *Sunday School*
- Why can’t you have a nose 12 inches long? *Because then it would be a foot*
- Did you hear about the guy who invented the knock-knock joke? *He won the ‘no bell’ prize*

INSIDE STORY FROM VANESSA

Thank you to all those that voted for the new slate of Resident Advisory Committee (RAC) members. These volunteers are your voice for suggestions and issues that affect life at UV. The new members are Beverly Hudgens, Chair, Cecelia Basarich, Betty Wolfe, Don Berry, Frankie Overton, Gus Delaloye and Jerry Nixon. You can submit suggestions via the suggestion box located on the north side of the circle lounge or you can discuss it with one of the RAC members. The members and I will discuss the suggestions the second Monday of each month, then someone will follow up with you to let you know how and if we can implement your suggestion.

We're making some changes to the staffing structure in our maintenance department. Some of the schedules have changed to provide more coverage throughout the week. We will now have 7-day per week maintenance staff on-site and our staff will continue rotating to cover the after-hours calls.

University Village provides transportation to doctor, dental and vision appointments for our residents. Transports are limited to one per week. As of June 1, we are increasing our transport area to include St. John's Broken Arrow and the physician's building located on the same property. If you would like to schedule transportation to an appointment, you can call Keith in Resident Services (x3269). Please call at least two weeks prior to your appointment date.

Fortunately, UV was not affected by the rising waters in May. However, it was a good opportunity for us to practice our emergency preparedness plans related to floods. University Village has an agreement with the Cityplex Towers for temporary housing in case we needed to do a quick evacuation. We also have agreements with eight other senior communities as well as a local hotel in case we needed to evacuate for longer periods of time. For safety reasons though, we will always try to shelter-in-place first. UV keeps enough non-perishable food items to last seven days. We have enough perishable food items to last three days. We keep back-up water on hand and we have a contract with Culligan Water to bring us enough drinkable water for all residents and staff. For our independent residents, we encourage you to always keep at least seven days' worth of medications on hand. If you need food items like milk, bread or eggs, you can purchase them from our dining services department. For any questions related to our emergency plans, don't hesitate to ask. You can also read about our emergency plans on our website (www.uvrc.com) and some information is contained in your Resident Handbook.

To reduce the number of telemarketing calls, you can register your phone number with the Federal Trade Commission's National Do Not Call Registry. Registration is free and can be done by visiting their website (www.donotcall.com) or by calling 888-382-1222 from the phone number you wish to register.

If you would like to submit a suggestion that could benefit the residents of UV, please submit your suggestion on the form provided on the north side of the circle lounge. You must include your name for your suggestion to be considered.

On behalf of the staff at UV, we truly enjoy serving you.

EMPLOYEE OF THE MONTH: FAYE HARPER

Faye is the Unit Clerk in Assisted Living and has been working at UV for almost 17 years. She is a wonderful employee and often goes above and beyond to help her co-workers and ensure that the needs of the residents are met. Faye's favorite part of her job is that every day is different, so she never gets bored. She loves having the opportunity to communicate and assist the residents, and her daily hope is to have a positive impact on them and make a difference everyday. Born in Hayti, Missouri and raised in Los Angeles California, Faye comes from a

big family with seven sisters, six brothers, and parents who were sharecroppers. In her spare time she enjoys reading and doing jigsaw puzzles, and her favorite restaurant is The Brook. One day Faye hopes to visit Greece and the Holy Land. A big thanks to Faye for her hard work and the positivity she brings to our community!

MOVIES IN THE THEATER

Mon. June 3rd, 6:00pm: Donovan's Reef starring John Wayne and directed by John Ford, a trio of World War II veterans end up living on a Pacific Island that they fought for. One of the vets is Jack Warden playing a doctor who has a wealthy and snooty daughter in Boston. She decides to visit the island. Wayne accompanies the cold and detached Boston daughter during her stay on the island. She discovers a way of life other than making money.

Mon. June 24th, 6:00pm: The Pink Panther, considered by some the best of the Pink Panther series of films, this 1963 movie was the first in a succession of comedies in which the late Peter Sellers developed the character of the bumbling, conceited French police detective, Inspector Jacques Clouseau. In the film, the main character entertains with humor, often engaging in slapstick fumbles. The plot centers on the theft of a priceless diamond by a skillful, mysterious thief, who seems to purloin jewels with ease. David Niven appears as Sir Charles Lytton, and Robert Wagner plays his suave young relative, George Lytton.

MEET OUR NEW RESIDENTS

Cliff / Cottage: Some of you may have already met Cliff as he "slowly" moves into his cottage. Cliff served in the US Army and was a Speech Pathologist. He even had clients at University Village! Cliff says he is "a good guy, a good listener and will help when he can." We'll take that!

Jim / Apartment: Jim moves to our community from his home in Shawnee, OK. He served in the US Air Force, then had a positive career in waste management. For fun, Jim likes to fish, bird watch and view old westerns on TV. He's a Shriner too!

Linda / Apartment: Linda was a terrific teacher for 34 years! She also found time to travel throughout Europe and to the Panama Canal. Now that she is settled at UV, she has time to read, play Bingo and dine out at her favorite restaurant, Red Lobster.

Davis / Apartment: Davis is a former History Professor at the University of Tulsa. He traveled to England and Hungary for additional teaching opportunities. He is also the author, co-author or editor on a dozen books on US and Oklahoma history. Davis roots for the Chicago White Sox!

George / Apartment: George is an IT Tech Analyst, moving to UV from his home in Norman, OK. He was born right here in Tulsa, then served as an Air Force Sargent. We're happy George has come back to retire in our community.

Karla / Apartment: Karla was born in Tulsa, OK, and enjoys reading and crocheting. She also enjoys Folk music, especially Gordon Lightfoot, and musicals like The Sound of Music. Karla would love to get involved with community activities!

Jim & Jan / Apartment: This lively couple from Lawton are ready to get involved at UV. Jim is retired from the US Army. He enjoys golf, bowling and any John Wayne movie. Jan is a former financial manager and was chosen as Lawton's "Woman of the Year" in 1995. She loves knitting and volunteering.

"E.J." / Apartment: One of E.J.'s most outstanding accomplishments is playing 3rd base for a Class C professional baseball team. He has also built over 50 blue bird boxes, which helped raise funds for his church youth group. E.J. has a terrific bass voice and sang in many quartets and trios.

John / Apartment: John likes to laugh and chitchat with folks. He also likes to bicycle, and has ridden on numerous 100-mile tours. John was born in Tulsa, OK.

Dale & Ann / Apartment: Dale and Ann were both born in Oklahoma. Dale served in the US Navy and worked at Amoco as a computer systems analyst. Ann is a former executive secretary, business owner and president of Florida's Republican Women's League. They both enjoy going to the lake and rooting for OSU.
