Ames Walk To End Alzheimer's
Saturday, October 12
Ames Middle School

Northcrest is a major sponsor of the Ames Walk to End Alzheimer's, a fundraising event to help end Alzheimer's Disease. Each year staff members, residents and family members make up Team Heartwood to show our support for our Heartwood House residents and their families. It's also an opportunity to honor our own family members who have been affected by the disease.

The Northcrest Family has a tradition of turning out for this meaningful event.

Please talk to Jessica for more information.
